### Day 2 Sunday: Hvar– Vis

Ship will be docked in Split harbour. Embarkation between 13:00-14:00 hours and at 14:00 cruise to Hvar, the sunniest Croatian island. Hvar is one of the most popular and attractive Croatian tourist destinations and a meeting point of the international jet set. At 18:00 we will have welcome dinner onboard. After dinner we will have city tour of Hvar, where a local English-speaking guide will walk you through the town, introducing you to the island's way of life, its rich history and culture. Overnight in Hvar Historical Town, (WD)

### Day3 Monday: Vis– Biševo – Milna

Morning cruise towards Island Biševo with its Blue cave. The cave has its own natural entrance, which is located below sea level, which required that it visitors dive deeply only to resurface into the cave's mysterious blue depths. This natural phenomenon creates a magical effect of deep blue and shiny silver, mystifying her visitors. However, sometimes high waves prevent the entrance to Blue Cave, which is something we shall not know before the morning designated for our visit, and this is a reason why entrance fees should be paid on the spot - if we have luck to visit it! Our cruise continues to Milna Bay, while lunch will be served onboard. The rest of the evening is free to enjoy dining at Milna, small seaside town on Brač Island. Overnight in Milna, (B, L)

### Day 4 / Tuesday: Milna – Split
