Istria. The old town was built on a hill and was part of the Republic of Venice for over 500 years. St Euphemia's Basilica sits above the terracotta roofs in solitary splendour and its tower has become the town's landmark. A stroll through the winding lanes transports you straight into the Mediterranean lifestyle and the region's culinary delights. Istrian wines seem to embody the sun's rich heat, the oak forests conceal precious white truffles and the region's olive oil is among the finest in the world.

DAY 3, Zadar/Croatia

Arrival 08.00 am, Departure 01.30 pm Spend the day sunbathing, enjoy the fresh wind breeze, and relax into the day!

DAY 4, Korcula/Croatia

Arrival 01.30 pm, Departure 10.00 pm The Adriatic island of Korcula is one of the greenest in the region. Vineyards and olive groves stretch across rolling hills. The island's main town of the same name is protected by a city wall. It is one of the best-preserved medieval Mediterranean towns. Some buildings evoke the time when the maritime power of Venice ruled. Tintoretto is immortalised in the cathedral, and in one of the narrow streets you can search for the house where Marco Polo was born.

DAY 5, Split/Croatia

Arrival 08.00 am, Departure 01.30 pm Dalmatia is the southernmost region of Croatia, and Split is its most beautiful cultural center and secret capital. Gothic, Romanesque, Venetian, Roman and Baroque - a stroll through the old city of Split is like a journey through time. Diocletian's Palace, once the Emperor's retirement retreat, is at the heart of the beautiful old city, which is also a UNESCO World Heritage Site. A vast palace complex of around 30,000 square meters (322,917 square foot) was erected in just 10 years at the end of the 3rd century AD. A city within a city.

DAY 6, Day beneath full sails

Climbing the rigging, untying ropes, setting sails - today is all about sailing. Time to lean back and relax in the deck chair and watch the passionate crew

hoisting the sails by hand.

DAY 7, Otranto/Italy

Arrival 08.00 am, Departure 07.30 pm Otranto is the most easterly port in Italy and, due to its geographic location in the Adriatic, has had an extremely eventful history over the centuries. Not far away is Lecce, one of the most beautiful and affluent cities in southern Italy whose heyday was immortalised in stone over 200 years. The Baroque cityscape, in the idiosyncratic "barocco leccese" style, is characterised by a marble-like stone known as Lecce stone. The numerous palaces and the Basilica di Santa Croce have profusely decorated facades and art feels right at home here. There is good reason why people are proud of its evocative nickname, the Florence of the South.

DAY 8, Day beneath full sails

Just enjoy the perfect sailing conditions with fitness, cosmetics, massage or with a good book in a teak chair.

DAY 9, Taormina (Naxos)/Sicily

Arrival 07.00 am, Departure 02.00 pm Taormina is perched on a rock with a majestic view over the sea. In the 19th century, this small town had already developed into a dream destination for well-heeled travellers and artists. The town's fascination lies in its elegance, the many ancient buildings, the stunningly beautiful coastline, the mild climate, and the view over the silhouette of Etna. Europe's largest volcano is over 3,000 meters (9,843 foot) high, has four summit craters and around 400 subsidiary craters, and is covered with snow almost all year round. In ancient times it was considered the seat of the gods, but nowadays large sections of it are a nature reserve.

DAY 10, Syracuse/Sicily

Arrival 06.00 am, Departure 01.30 pm The municipal area of Syracuse boasts relics from cultural history going back more than three millennia. In ancient times, the city was the most powerful in the known world and was famed for its splendour. The island of Ortigia, now a UNESCO World Heritage Site, was where Syracuse began its rise as an ancient city. The huge cathedral is at the

heart of the old town, magnificent palaces line the Piazza and wide promenades invite you to take a stroll. The archaeological park brings Greek and Roman history back to life. Yet Syracuse exudes southern Italian charm, with washing drying outside the windows.

DAY 11, Valletta/Malta

Arrival 08.00 am This strategically important location has always attracted foreign conquerors. More than 7,000 years ago, a civilisation existed here, leaving behind enormous temple complexes. Just like proud Valletta, these are now UNESCO World Heritage Sites. Jean Parisot de la Valette, Grand Master of the Order of St John, founded a modern fortified city on a rock in 1566, between the two splendid natural ports of Marsamxett and Grand harbor. Long rows of facades made from golden-yellow blocks of chalk stretch along the straight streets. Splendid Renaissance and Baroque buildings are evidence of riches and power, such as the Palace of the Grand Master and the impressive St John's Co-Cathedral.
