ADRIATIC ICONS AND VENETIAN TREASURES - ADRIATIC CRUISE

Begin and end in one of the world's most romantic cities and in between, make your way up and down the eastern Adriatic exploring medieval Old Towns, Dalmatian resorts and traditional Croatian culture. Feel goosebumps rise as you wind your way up Montenegro's stunning fjord to Kotor and make your sea approach to Venice, where only yachts like ours are allowed to sail up the Grand Canal into the heart of the city. Visit famous Croatian resort towns like Hvar, Dubrovnik, Zadar and Rovinj. Discover the vaguely Italian flavour of Piran, a legacy of 500 years under Venetian rule.

ITINERARY

Day 1 - Venice

Meet at the ship with an afternoon departure through the Grand Canal.

Day 2 - Rovinj

The lovely fishing port of Rovinj on the west coast of the Istrian peninsula bordered on three sides by the Adriatic Sea. You can tour the maze of cobblestone streets that lead to the hilltop St. Euphemia Cathedral with its towering steeple dominating the skyline. Old Town Rovinj is a delightful tangle of medieval streets and twisting stairways. Seek out the Bronze Age ruins of Monkodonja, the hidden beaches or the breathtaking natural beauty of the 6-mile-long Lim Fjord.

Day 3 - Zadar

Something here will capture your heart. A Roman amphitheatre, 9th century churches, and museums packed with Byzantine-era artworks crowd the peninsula that tidily contains the Old Town. It's a tempting way to spend the day for sure. While away the day listening to Zadar's giant Sea Organ, a haunting musical improv performed by the surging Adriatic or share a bench with a sun-drunk cat as you bite into a truffle.

Day 4 - Hvar

Celebrities from Prince Harry to Beyonce have made Hvar their go-to place. Follow the city walls to sweeping views from the fortress on the hill. Head to the town square for a look at the Venetian Cathedral or find the large bay of Stari Grad on an optional tour to this famous UNESCO site.

Day 5 and 6 - Dubrovnik

While larger ships must pass by, we anchor right beyond the famous walled city so you can admire its beauty with every glance. Tender ashore and step right into Old Town, a UNESCO site where no cars are allowed, just eons of history. Capture the exhilarating views on your camera -- and in your memory. End your day at the Buza Cafe watching bold divers leap off the cliffs into the crystalline sea.

Day 7 - Kotor

This is one of Montenegro's most beautiful bays, and the approach offers one breathtaking fjord-like view after another. Just when you've reached your fill of blues and greens, the bright red rooftops of the medieval Old Town come into view. The entire area has been proclaimed a UNESCO World Heritage Site. The charming streets of Old Town remain car free, filled with 12th century Baroque palaces and Romanesque churches. For a fresh perspective, climb to the fortress on the hill for a breathtaking vista.

Day 8 - Piran

Situated on a tiny piece of land jutting into the sea and considered to be the

most beautiful of Slovenia's coastal towns, Piran is full of medieval architecture, narrow streets, and compact houses. A walk to the beautiful oval-shaped main square will greet you with a statue of Giuseppe Tartini, composer and virtuoso violinist, and the most famous man of Piran. Around the square are attractions like Venetian House, and a delightful Gothic-Venetian structure, The Sergei Masera Maritime Museum and the Church of St. George with its gorgeous view over the city and the harbour from the bell tower. Take a tour to the nearby Skocjan Caves National Park, a UNESCO site.

Day 9 - Venice

No other sea approach in the Adriatic raises goose bumps like Venice, a small ship exclusive where the entire city and its lagoon are a UNESCO World Heritage Site. On your luxurious home-away-from home, you arrive already equipped with a sense of what it's like to live in the city that's neither land nor water. Add your own sigh to the Bridge of Sighs, sip a spritz al bitter as you plot your agenda, and let the water taxis do your navigating unless you don't mind getting lost. Not such a bad prospect, with serendipitous discoveries around every corner.
