Take a scenic tender excursion to witness the colours of ancient sandstone cliffs and the stunning Kimberley Rose. Late afternoon get your first taste of fishing for giant trevally, mackerel, tuna and queenfish.

DAY 4: MONTGOMERY REEF, SALE RIVER & RAFT POINT

Today we cruise to the amazing Montgomery Reef which covers more than 300km², making it Australia's largest inshore reef. Watch as the tide falls right before your eyes, creating a spectacular waterfall effect. Take a tender ride to view many marine species, including turtles and sea birds. Later we explore the Sale River taking an excursion upstream for a dip in the spring-fed rainforest pools. On the journey home we view ancient rock art from the tenders. In the afternoon we cruise towards Steep Island, anchor below Raft Point and walk to the caves perched on the hill. Here is some of the finest well-preserved Wandjina art in the Kimberley. From the top we have an amazing view of the Kimberley Coast as the sun begins to set, capturing this unique landscape at its best.

Cruising up the Prince Regent River, marvel at the pristine waterway that cuts through sandstone cliffs and gorges. Be rewarded with a breathtaking view over the magnificent Prince Regent River in the distance - wilderness adventuring at its best! Late afternoon join our guides for an excursion to Cathedral Falls, while spotting crocodiles and flying foxes. Alternatively fish the Price Regent River which is renowned for big barra and threadfin salmon.

Enjoy a tender excursion around historic Hanover Bay and learn about the naming of Treachery Head and the exploits of explorer George Grey (1837). Cruise out past the scenic sandstone and basalt islands of Brunswick Bay. Marvel at the remote seabird colony of Booby Island and try your luck at pelagic fishing.

DAY 9: HEYWOOD & CHAMPAGNY ISLAND

Spend the day exploring the spectacular crystal clear beaches of Heywood and Champagne Island. Visit a historic secret radar base from World War II, which is a truly fascinating heritage site. Walk on a deserted beach then enjoy a refreshing swim. The final leg of your journey takes you towards Cape Leveque as you savour your last evening enjoying the sunset, whilst marvelling at the spectacular humpback whales.

DAY 10: CYGNET BAY, BROOME

This morning enjoy your last breakfast on board, then wave goodbye to the crew of the Kimberley Quest II before boarding a scenic flight back to Broome. On arrival (approximately 12.00pm) in Broome a courtesy vehicle will transfer you to your accommodation.
