

ALASKA'S COASTAL TREASURES CRUISE

Embark on a journey crafted for the intrepid traveler, those with a spirit for adventure and a yearning to explore the untamed. "Alaska's Coastal Treasures" is not your typical cruise--it's a voyage for those who crave the thrill of discovery, following in the footsteps of history's boldest explorers. This expedition takes you through Southcentral and Southeast Alaska, navigating remote waters and secluded bays that few have seen. Flexibility is key on this route, allowing us to adapt to the whims of weather and tides, just as the great seafarers once did.

ITINERARY

Day 1 Seward Embarkation

After your included transfer from Anchorage, we welcome you to Seward, an historic gateway to Alaska's coastal treasures. After a safety briefing, enjoy drinks and dinner as the vessel sets sail around 9:00 PM. We'll be taking mostly overnight crossings during this journey to allow for maximize daylight for exploration and navigating open water while guests are in their guest rooms.

Meals included: dinner

Day 2 Driftwood Bay State Marine Park

Wake up in the sheltered Driftwood Bay State Marine Park. Explore the rich coastal landscape with beach walks and guided tours through muskeg meadows. For those eager to get on the water, Kayak 101 will be available to give you some tips and tricks for navigating these waters. This area offers fantastic wildlife sightings, including whales and sea lions.

Meals included: breakfast, lunch, dinner

Day 3 Montague Island or Hinchinbrook Island Exploration

Today's destination is flexible between Montague Island and Hinchinbrook Island, allowing us to adjust based on weather and vessel traffic. Montague Island's Zaikof Bay is a great spot for spotting brown bears, while Hinchinbrook offers access to view the historic Cape Hinchinbrook Lighthouse. Guests can enjoy beachcombing, kayaking, or simply taking in the stunning coastal views.

Meals included: breakfast, lunch, dinner

Day 4 & 5 Kayak Island

Kayak Island is a place of deep historical significance, as it was where Vitus Bering's expedition encountered the now-extinct Steller's sea cow. Anchoring here can be challenging due to strong currents, but the payoff is worth it. We'll focus on beachcombing near Pyramid Peak and offer skiff tours if conditions allow. To the north, alternative anchorages near the Martin Islands or Fox Island provide options in case of adverse weather, offering a chance to explore the intertidal zones and possibly hike along the abandoned tracks near the old oil town of Katalla.

Meals included: breakfast, lunch, dinner

Days 6 & 7 Icy Bay

Icy Bay requires an overnight crossing, but guests are rewarded with incredible glacier views and a rich marine environment. We'll spend two days exploring the bay, including a close-up look at the Malaspina Glacier and Guyot Glacier, all set against the backdrop of Mount St. Elias in Wrangell-St. Elias National Park and Preserve. This tight bay is surrounded by several glaciers, offering opportunities for hiking, beachcombing, and glacier observation.

Meals included: breakfast, lunch, dinner

Day 8 Disenchantment Bay Glaciers

Disenchantment Bay presents a dynamic glacial landscape, including the impressive Hubbard Glacier, which occasionally blocks Russell Fjord. Witness the power of a glacier actively reshaping the land as you enjoy a day of exploration and glacier calving. We'll adjust activities based on conditions to ensure safe and comfortable access.

Meals included: breakfast, lunch, dinner

Day 9 Yakutat Town

Yakutat is known for its vibrant fishing culture and remote charm. Guests will have the opportunity to explore the town on walking tours, meet locals, and enjoy optional activities like enjoying world-renowned fishing at an additional cost. This stop allows for a more intimate connection with Alaskan life, situated between the wild coast and dense rainforests.

Meals included: breakfast, lunch, dinner

Days 10 & 11 Lituya Bay

Lituya Bay is a legendary destination among mariners, known for its dramatic history, including the 1958 mega tsunami. It's a fair-weather stop due to challenging entrance conditions, but if weather and tides align, the experience is unforgettable. Guests can explore Cenotaph Island, home to black-legged kittiwake colonies and sea lion haul-outs. Enjoy hiking and take in the breathtaking views of the Fairweather Mountain Range. If needed we have alternative options like Graves or Torch Bay, known for their calm waters and stunning scenery.

Meals included: breakfast, lunch, dinner

Day 12 George Island

Step ashore on George Island, home to a World War I-era cannon brought here during World War II. This remote spot offers a blend of history and nature, perfect for a final stretch of exploration before heading toward Juneau. Guests may also explore nearby areas like Cape Spencer, known for its dramatic marine environment.

Meals included: breakfast, lunch, dinner

Day 13 Captain's Choice/Wildlife Search

Today is all about flexibility, allowing the captain to select the best locations for wildlife viewing. This is a prime opportunity for whale watching in the Inian Islands and Icy Strait, where humpbacks and orcas are frequently sighted. The day's plan will adjust to the best conditions to ensure guests have a memorable experience.

Meals included: breakfast, lunch, dinner

Day 14 Juneau Disembarkation

Disembark in Juneau, where your adventure concludes. Reflect on the incredible landscapes, wildlife encounters, and rich history experienced along Alaska's remote coastlines.

Meals included: breakfast

Please Note:

As with all our adventure cruises, weather, tides, and wildlife will alter our daily plans to give our guests and crew the best experience possible.

YOUR SHIP: SAFARI EXPLORER

YOUR SHIP:	Safari Explorer
VESSEL TYPE:	Small Ship
LENGTH:	145 ft
PASSENGER CAPACITY:	36
BUILT/REFURBISHED:	1998

Safari Explorer is designed for upscale comfort in the pursuit of adventure.

This high-end SUV of a yacht is nimble, strong, and loving. The Safari Explorer has what mariners call "feet" that take her into wild areas big ships can't visit. Her performance-built rugged construction means access to faraway regions. But it's what's on the inside that makes this vessel the prize of the fleet. And with only 36 guests on board, the feel is decidedly exclusive. Lovingly called "the Bulldog," she's poised, her interior is a pearl, and the general mood is down-to-earth. In the winter, she bops around the islands of Hawaii soaking up the laid-back aloha spirit—weaving through the islands, ready for bow-riding dolphins. In the summer, she follows the Humpbacks north to Alaska, navigating the inside passage and taking in The Great Land. A protective spirit is infused in every part of the ship, and within the crew. She's made for adventures after all and with them comes inevitable fun and folly.

Three decks accessible to guests are designed for your comfort and sense of adventure. The bridge deck offers the rooftop sun lounge, exercise equipment, hot tub (open during Alaska cruises only), open bridge, and the Commodore Suites. The cabin deck

houses guests in the Navigator and Trailblazer categories, as well as the Jr Commodore and one Admiral cabin. The main deck holds the larger Admiral suites as well as the luxurious common areas.

The dining room features open-seating meals served at table at set times. Unlimited beverages including wines and spirits are included in the price of the cruise. Vegetarian, gluten-free, and dairy-free options are always available, and dietary restrictions are happily accommodated if noted in advance. The main deck also houses the salon and bar area.

Onboard Amenities

Kayaks, paddle boards, inflatable skiffs, hiking poles, snorkel gear. One on-deck hot tub (open during Alaska cruises only), fitness equipment and yoga mats, rubber boots (from women's size five to men's size 12), reusable water bottles, movie and book library, and a full-beam swim step for loading and offloading.

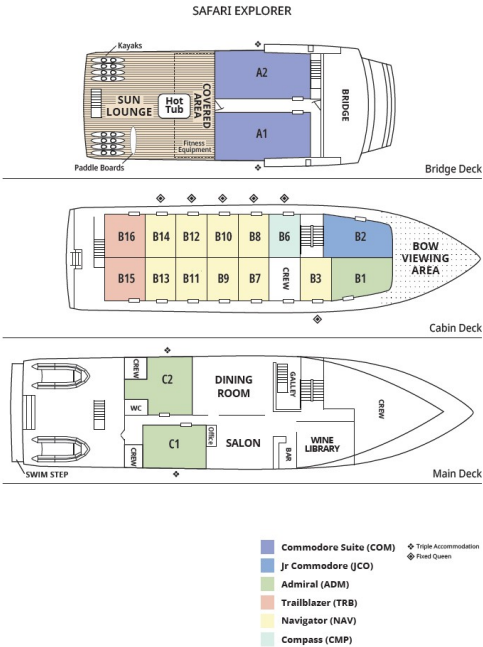

offloading.
