## ATLANTIC OCEAN VOYAGE: FROM LISBON TO BUENOS AIRES

With featured guest Vivi Navarro, creator of personalised travel diaries.

From sea to sea, or from continent to continent, PONANT welcomes you aboard its ships for a Sea Journey. A few times a year we invite sea lovers, dreamers, and keen observers of endless horizons to join our non-stop journeys, to enjoy the comfort of our ships for an extended period and share the daily lives of our crew.

### ITINERARY

#### Day 1 LISBON

Portugal's capital city located on the banks of the Tagus, only a few kilometres from the Atlantic coast, is a city of exceptionally rich cultural diversity. At the mouth of the river harbour, impose two UNESCO World Heritage monuments, Jeronimos monastery and Belem tower. The Alfama hillside is also worth visiting: known for its fado bars and its Moorish streets, this district is the oldest one of the city and one of the most typical. Not far from there, Chiado's elegant streets are home to big fashion labels and are an invitation to a bit of luxury shopping.

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

## Day 4 LAS PALMAS DE GRAN CANARIA, CANARY ISLANDS

A stopover of sunny climes, Las Palmas is located on the north-east coast of Gran Canaria. A few streets away from Puerto de la Luz port, you'll discover the vast Las Canteras beach, bordered with the town's characteristic palms. You'll find these palms are all over Las Palmas, in the streets and squares, especially on the plaza de Santa Ana in the heart of the historical district. It feels like you've travelled back in time here, as you stand looking at the tall houses beside the Santa Ana cathedral. Very close by, you can visit the Casa de Colon, a museum dedicated to the famous explorer. The museum is housed in the palace belonging to the island's former governor. Chances are, you'll be drawn to the covered Vegueta market to partake in some daily life along with the locals and taste some unfamiliar dishes.

## Days 5 - 18 AT SEA

## Days 19 - 20 BUENOS AIRES

A port city built on the south-western shore of the Rio de la Plata, between the Atlantic Ocean and the vast Argentine Pampas, Buenos Aires is a unique city in Latin America. Nicknamed "the Little Paris of South America", the Argentine capital is a clever blend of architecture with European influences and a joyful Latin American atmosphere. Designed on an orthogonal grid plan, it has 48 districts, all of which are as charming as they are different, with a range of styles such as Belle Époque, gothic and baroque. With its markets overflowing with treasures, its legendary cultural and architectural heritage, and tango providing its background music, the Argentine capital will delight you on every street corner.
