the junction of Malar Lake and the Baltic sea. In Gamla stan, meaning "old town" in Swedish, you can stroll at your leisure in picturesque medieval streets until you reach the majestic Royal Palace. On the green island of Djurgården, you can visit several very different kinds of cultural centres: the Vasa museum is dedicated to a 17th century three-mast, the ecomuseum of Skansen presents traditional customs, and the ABBA museum is dedicated to the legendary pop group. For a fantastic, all-encompassing view of Stockholm, you can take a ride in SkyView, a glass-encased sphere gondola that takes you to the top of the world's largest building, the Ericsson Globe, a Stockholm landmark.

Day 3 - At sea aboard Le Commandant Charcot

Spend exceptional moments sailing aboard Le Commandant Charcot, the world's first luxury polar exploration vessel and the first PC2-class polar cruise ship capable of sailing into the very heart of the ice, on seas and oceans which the frozen conditions render inaccessible to ordinary ships. Le Commandant Charcot is fitted with oceanographic and scientific equipment selected by a committee of experts. Take advantage of the on-board lectures and opportunities for discussion with these specialists to learn more about the poles. Participate in furthering scientific research with PONANT and let us discover together what these fascinating destinations have yet to reveal to us.

Day 4 - Visby, Gotland

This old Hanseatic city lies to the west coast of Gotland, a Swedish island in the Baltic sea. Pass through the spectacular Visby fortifications and visit the old town, a UNESCO World Heritage site. You'll discover the grand Visby homes of rich merchants as well as the lovely low wooden houses in the little cobbled streets. Don't miss Saint Mary's cathedral with its octagonal steeples, as well as Powder tower along the fortifications. Make sure you stop over in one of the rose-adorned cafes; indeed roses abound in this town where you can taste one of the island's specialities, namely saffron pancakes with red fruit.

Day 5 - Gdansk

This ravishing city on the Baltic sea is nicknamed "the golden door of Poland", and you'll understand why when you see its beautiful Hanseatic architecture. You'll be charmed by the mouldings and gables that enhance the colourful façades of the houses. Along the Vistula Quays, you can take a pleasant stroll

among the crafts shops. In elegant Mariacka street, the amber jewellers will most certainly tempt you into their boutiques. You can visit the church of Saint-Mary and its astronomic clock. Not far, the majestic Long Market square offers the famous Artus Court and the rich Gdansk History Museum.

Day 7 - Riga

At the place where East meets West on the edge of the Baltic Sea, Riga, the capital of Latvia, will charm you with its contrasts. Although it is one of the oldest cities in the Baltic states, with a unique atmosphere that is imbued with the memory of its medieval past, Riga is also tangibly dynamic and modern. As you stroll through its old town, you will enjoy its exceptional architecture, its cathedrals, the remains of old walls and the typical narrow streets. Nicknamed "the Paris of the North" in the 1930s, this cosmopolitan city boasts a rich heritage.

Opening onto the Baltic sea, to the far north of Estonia, the town of Tallinn will win you over with the picturesque charm of its architecture. The Kiek in de Kok tower, the Orthodox Alexander Nevski cathedral, or Toompea castle give visitors a taste of this town's rich past. The city was particularly active during the medieval period, as is demonstrated by the very beautiful monuments from this period that are still visible. Don't hesitate to lose yourself in the heart of Tallinn, listed as a UNESCO World Heritage Site.
