## BALTIC RENAISSANCE - A VOYAGE FROM STOCKHOLM TO PORTSMOUTH

Exploring the Baltic by small ship is the most perfect way to visit this endlessly fascinating corner of Northern Europe. The history of the region is intriguing, with countries vying for commercial and political influence for over a thousand years. This complex past will be brought to life by our onboard Guest Speaker and informative local guides, helping us to gain a greater understanding of both old and new Baltic nations.

Our trip is certainly one of the most comprehensive, visiting as it does Sweden, Finland, Estonia, Latvia, Lithuania, Poland, Germany, Denmark and the Netherlands before ending in the UK. We will spend time in the beautiful Scandinavian ports with their unique atmosphere and architecture and discover the Baltic capitals including Tallinn and Riga with their charming Medieval old towns. A highlight for many will be our visit to Gdansk where we will enjoy a recital by members of the Polish Baltic Philharmonic orchestra, and we will moor overnight in order to experience the city in its evening splendour.

With the 118 passenger MS Hebridean Sky as our base, we have the advantage of also being able to call into some smaller ports of call which the larger ships in the region are unable to access including the island of Bornholm in Denmark and picturesque Mariehamn in Finland with its strong seafaring traditions. Our voyage will be a leisurely one with the benefit of some daytime sailing allowing you to relax on board and experience the serenity of sailing through the region in summer.

in summer.

Fly by scheduled flight. Arrive in Stockholm and transfer to the MS Hebridean Sky. Enjoy welcome drinks and dinner on board and moor overnight.

**Day 2 Stockholm.**

This morning we will enjoy a guided city tour which includes the Vasa Museum, built around the 17th century warship which sank in Stockholm's inner harbour on her maiden voyage in 1628; its discovery in 1956 and subsequent salvage in 1961 is one of the most important events in marine archaeology. In addition to the well-preserved, elaborately decorated hull, thousands of items from the ship, including hundreds of sculptures, have been recovered. On our return to the MS Hebridean Sky we will drive through old Stockholm and past the Parliament Building and Royal Palace which overlooks the inner harbour. After some free time we sail in the late afternoon through the many islands of the Swedish archipelago. This is a great sailing area and the islands are

## Day 7 Riga, Latvia.

This morning we will explore Latvia's capital by foot. Founded in the 13th century it became one of the most successful trading cities of the Baltic. Explore the Old Town with its Medieval streets lined with Hanseatic warehouses and punctuated with Gothic and Baroque churches including St Peter Cathedral, the largest Medieval church in the Baltic. Return to the ship for lunch and spend an afternoon exploring independently, maybe see the Art Nouveau district, visit one of the many local museums or the impressive central market housed in an old zeppelin hangar.

## Day 8 Klaipeda, Lithuania.

Founded in 1252 by the Teutonic Knights of East Prussia, Klaipeda was annexed by Hitler in 1939 and almost destroyed towards the end of World War II. Arriving at lunchtime we will explore the old town of Klaipeda including a stop in Theatre Square before strolling along the atmospheric narrow streets where in the past craftsmen including shoemakers, blacksmiths and bakers used to live and work. Continue towards the resort town Palanga where, after a walk through the Botanical park, we arrive at a 19th century Neo-Renaissance style mansion which houses the largest Amber Museum in the Baltics. Here we will learn all about "Baltic gold" before returning to Klaipeda where we will enjoy a drink and live music in a nearby restaurant before setting sail this evening.

## Day 9 Gdansk, Poland.

Gdansk's 1000 years of history have left a collection of buildings and monuments designed in Gothic, Renaissance and Baroque styles. On a morning city tour we will walk along the cobbled streets of the Royal Way in the old quarter and view the elaborate architecture, including the 15th century merchant's palace of Artus Court. Also see the pride of Gdansk, Gothic St Mary's, which is the world's largest brick church, accommodating some 25,000 worshippers. Return to the ship for lunch and enjoy the afternoon to explore further at your own pace before we meet this evening to enjoy a recital by members of the Polish Baltic Philharmonic at a local venue.
