CIRCUMNAVIGATION OF TASMANIA CRUISE FROM HOBART

Join us onboard Coral Discoverer for our full circumnavigation voyage around Tasmania, showcasing the best of its national parks, remote islands, and rugged coastline. During this 14 night voyage visit charming seaside towns, walk on some of Tasmania's most famed coastal trails, experience epicurean delights with local producers and spot abundant and unique wildlife.

ITINERARY

Day 1: DEPART HOBART

Arrive at your advised check-in location for boarding at 4:00pm, with time to settle into your stateroom before our 5:00pm departure. Take the time to become acquainted with all the facilities onboard before meeting your fellow travellers, the Captain and crew for the Captain's Welcome Drinks.

MARIA ISLAND

The historic ruins and rugged cliffs of Maria Island National Park are home to diverse wildlife that includes Forester Kangaroos, Bennetts Wallabies, and wombats. Walk to historic Darlington Settlement, explore the ancient seabeds of the Fossil Cliffs, and marvel at the sandstone formations of the Painted Cliffs.

FREYCINET PENINSULA

At Freycinet Peninsula, see the pink granite formations of the Hazard

Mountains, and the sweeping bays fringed by Eucalypts. Join a guided hike to the Wineglass Bay beach - one of the best beaches in the world. Witness fur seals lounging on the rocks at the Ile des Phoques.

FLINDERS ISLAND

Visit wild and rugged Flinders Island, and marvel at the pink and gray granite mountain ranges of Strzelecki National Park. Land at beautiful Trousers Point beach, with the possibility of enjoying two of Tasmania's Great Short Walks at Trousers Point and Castle Rock. Visit seaside townships, discover the sad history of Wybalenna Settlement, and see relics of Flinders maritime past at the Furneaux Museum.

KENT ISLAND GROUP

Weather permitting we visit the Kent Group of islands, Tasmania's northernmost National Park, and a marine protected area. These islands are the remains of a land bridge that once connected Tasmania with mainland Australia over 10,000 years ago. The waters of Kent Island are crystal clear, with a high diversity of fish species. On Deal Island we find the highest lighthouse in Australia, standing 305 meters above sea level, which is manned by volunteer caretakers, enjoy several walk options and swim and kayak off the beach.

TAMAR RIVER VALLEY & LAUNCESTON

Cruise the scenic Tamar River to Launceston - which has recently been designated a UNESCO City of Gastronomy. Formed by the confluence of the North and South Esk rivers at Launceston, the river's banks are peppered with scenic reserves, historic properties and notable vineyards. Here we visit a local truffle farm, and spend time in the riverfront city of 'Launnie' to view its architectural treasures.

STANLEY

On our visit to Stanley, walk to see 'The Nut' - an old volcanic plug that measures approximately 4.6km with a steep section that flattens to form the top. You can opt for a chairlift to skip the incline. Either way, be rewarded with

coastal views before heading to explore Highfield Historic Site.

KING ISLAND

Weather permitting we visit King Island, whose tumultuous waters are the final resting place of over 140 shipwrecks. Learn about the island's rich and often terrible maritime history, as well as its famous beef and cheese industries.

WEST COAST CRUISING

Home to striking mountain ranges, ancient pines and untamed rivers, the wild west coast is the heart of Tasmania's wilderness and a true frontier. Take in the dramatic scenery during a day of cruising.

PORT DAVEY

A marine reserve and part of the Tasmanian Wilderness World Heritage Area, spectacular Port Davey is only accessible by sea, small aircraft, or a multi-day hike. Enjoy the unforgettable experience of kayaking in Bramble Cove, and explore Melaleuca, along with hiking and bird-watching.

We will spend two days here, and upon departure, we will cruise past the remote south coast island of Maatsuyker, home to Australia's most southerly lighthouse.

*Access to Port Davey and Bathurst Harbour is subject to annual permits being granted by Tasmania Parks and Wildlife.

BRUNY ISLAND

Experience the rugged beauty of Fluted Cape as you walk along the sheer coastal cliffs. Learn about the rich maritime history of Adventure Bay, and explore the history of old whaling stations on the way to Grass Point.

TASMAN PENINSULA

The Tasman Peninsula is known for its fascinating geological formations,

including the soaring 300 metre high dolerite sea cliffs of Cape Raoul, Cape Pillar and Cape Hauy - the tallest in the southern hemisphere. Watch fur seals hauling out on the rocks, as well as playful dolphins feeding and magnificent albatross soaring amongst the updrafts created by the sea cliffs. At Fortescue Bay we will hike a section of the Three Capes track towards Cape Hauy, and later the ship will circumnavigate the impressive Tasman Island. This evening experience a signature event at Bangor Vineyard, featuring the region's finest local produce and hosted by 7th generation farmer Matt Dunbabin.

PORT ARTHUR

One of Australia's most significant historic places, the UNESCO World Heritage-listed Port Arthur ruins stand sentinel on the Tasman Peninsula south of the narrow isthmus of Eaglehawk Neck. For more than 40 years the Port Arthur penal colony housed British and Australian convicts sentenced to hard labour before its heavy iron doors clanked shut for the last time in 1877.

DAY 15: ARRIVE HOBART

Our Tasmania adventure concludes in Hobart this morning as we bid farewell to new-found friends, the Master and crew, disembarking at 8:00am. A complimentary transfer is provided to CBD hotels, or the airport is included.

Please Note:

This itinerary is an indication of the destinations we visit and activities on offer. Throughout the expedition we may make changes to the itinerary as necessary to maximise your expeditionary experience. Allowances may be made for seasonal variations, weather, tidal conditions, and any other event that may affect the operation of the vessel. Coral Expeditions suggests that you do not arrive on the day of embarkation or depart on the day of disembarkation due to any changes that may occur in scheduling.

YOUR SHIP: CORAL DISCOVERER

YOUR SHIP:	Coral Discoverer
VESSEL TYPE:	Luxury Expedition
LENGTH:	63 metres
PASSENGER CAPACITY:	72 (in 36 rooms)
BUILT/REFURBISHED:	2005 / Refurbished

Launched in 2005, Coral Discoverer set a new benchmark standard for small ship cruising in Australia. Refurbished in November 2016, she continues to raise the bar to new levels of sophistication in expedition cruising in the Southern Hemisphere.

The 1800-tonne Coral Discoverer is the grand vision of Coral Expeditions, pioneers in expedition and adventure cruises around Australia, Papua New Guinea and South East Asia. Her shallow draught and manoeuvrability allow her to go where larger vessels cannot. Her tender vessel, Xplorer, can seat all 72 passengers for excursions to beaches and rivers. Coral Discoverer is equipped with latest technology active stabilisers to ensure comfortable cruising in open waters and is fitted with modern safety and navigation equipment and wireless internet facilities.

Coral Discoverer was built to the exacting international SOLAS (Safety of Life at Sea) standards and specifications in Cairns, Australia, with one aim in mind; to create the ultimate small ship cruising experience. Australian flagged, and staffed entirely by an Australian and New Zealand crew, your experience aboard Coral Discoverer will be unique.

After the refurbishment, the Sun Deck has evolved to become a new social space and the hub of on board community living. This area has been converted into an undercover deck area complete with round 'Explorer Bar' with bar stools and sun deck with lounges and an area for outdoor exercise equipment.

Guest accommodation has also received a substantial upgrade with the addition of six Bridge Deck Balcony Staterooms providing coveted inside/outside living quarters. Each of our other Stateroom grades has also received a full upgrade with updated bathroom fixtures, soft furnishings and artwork making for an even more comfortable stay on board Coral Discoverer.

The Coral Discoverer offers five different grades of staterooms, ranging from Bridge Deck Balcony Staterooms to Main Deck Staterooms. Bridge Deck Balcony Staterooms are on the top deck and have private balconies opening out from french windows. All rooms are furnished with contemporary flair and feature original artwork, a small private en-suite, individually-controlled air-conditioning, an iPod dock, ample storage and Australian toiletries. All staterooms are serviced daily. Each stateroom is spacious, sized between 15sqm (161 square feet) to 20 sqm (215 square feet) and has either a balcony, feature picture windows or porthole windows. Most staterooms can be configured to either junior king or twin bedding.

FACILITIES ON BOARD

- > Sun Deck with undercover area, sun lounges and ample seating
- > Three fully stocked cocktail bars, including brand new round
