history. Since 1979 the historic centre of Split has been inscribed on the UNESCO World Heritage Site List. City's historical and cultural buildings are located inside the walls of the Diocletian's Palace. At 12:00 a.m. we'll start our cruise to Omiš with lunch on board. An ancient town with city walls, fortresses and stone churches, Omiš is located at the delta of Cetina River with its wonderful beaches. For centuries, Omiš was for a stronghold of famous pirates, a symbol of retaliation, courage and strength in the long historical fight against The Republic of Venice. Our cruise continues across the Bra Channel, all the way to Pušća, the biggest village on the island of Bra. Nowhere in the system of towns and villages in Dalmatia does terrain play such a compelling role as in Pušća. Its spectacular irregularity of steep-sided natural harbour, authentic Mediterranean architecture and rustic ambience are simply unforgettable. Stone from Pušća quarry was used to build limestone columns of the White House in Washington DC, Vienna Parliament and many other famous buildings around the world. Pušća is also home to the only Croatian Stonemasonry school. We'll spend a night in this very quiet town. Enjoy the nightfall, as it unifies the distinct features of Pušća that have intrigued us so much in daylight. Overnight in Pušća, (B, L)

## Day 3 / Monday: Pušća – Bol – Hvar \*

We'll start our day with a morning departure towards Bol known for having one of the finest European beaches, called Zlatni Rat (Golden Cape). As we stop in Bol, you can relax in this charming Dalmatian town. Have a walk, a cup of coffee or a swim, until lunch is served on board. After lunch we shall continue cruising along many idyllic coves and bays towards Hvar, the sunniest Croatian island. Hvar is one of the most popular and attractive Croatian tourist destinations and a meeting point of the international jet set. Upon your evening arrival in Hvar, a local English-speaking guide will walk you through the town, introducing you to the island's way of life, its rich history and culture. Afterwards, you'll be free to enjoy your evening in Hvar, to explore and dine in one of its numerous family-owned restaurants or taverns. Overnight in Hvar Historical Town, (B, L)

## Day 4 / Tuesday: Hvar – Biševo Blue Cave – Vis \*

We'll start our day with a morning cruise towards Island of Biševo and its Blue Cave. Originally, the entrance to Blue Cave was located below sea level, which required visitors to dive deeply in order to resurface into the cave's mysterious blue depths. However, sometimes high waves prevent the entrance to Blue Cave, which is something we shall not know before the morning designated for our visit. For this reason, entrance fees are paid on the spot. Afterwards we'll

dock in Vis and have lunch. Vis is truly unique in comparison to other Adriatic islands. Being an important strategic military stronghold for a long time, Vis was spared the excessive tourist development and thus retained its unspoiled beaches, ecological agriculture and traditional architecture. Enjoy afternoon, exploring the town of Vis, its picturesque stone streets, pristine beaches and fine taverns. For all who are interested we will organize optional Vis Island excursion, ending in Komiža, stunning fishermen's village to have dinner in one of cosy restaurants. Reservations and payment on the spot. Overnight in Vis Town, (B, L)

## Day 5 / Wednesday: Vis – Korčula \*

We'll start our day with a morning departure towards the Island of Korčula, with a swim stop and lunch en route. In the afternoon, we'll arrive to the Korčula Town, on the Island of Korčula. This town is known as a birthplace of Marko Polo, one of the most famous world explorers of all times. Our English-speaking guide will do Korčula City tour and walk us through Korčula's charming narrow and cobbled streets. You'll have the rest of the evening free, to enjoy dining at one of the local restaurants of your choice. Overnight in Korčula Historical Town, (B, L)

## DAY 6 / Thursday: Korčula – national park Mljet – Slano \*

Morning cruise to Mljet Island, where you'll be free to explore National Park Mljet (entrance fees are not included), to walk around the Great and Small Lake, visit The Islet of St. Mary with its Benedictine Monastery dating from the 12th century and, of course, take a swim in the heart of this pristine National Park. Lunch will be served on board as we continue our cruise to Slano, where we shall arrive in the afternoon. Slano is one of the most picturesque places on the Dubrovnik Riviera, with a beautiful beach, dense pine forest and olive groves, a long cultural tradition and numerous historical monuments. This evening, we will have Captain's dinner on board. Overnight in Slano, (B, L, Captain's dinner).

## Day 7 / Friday: Slano – Dubrovnik \*

In the morning we'll depart for Dubrovnik, along the Elaphite islands, where we'll have a short swim stop and lunch. Upon arrival to Dubrovnik, our own English-speaking guide and coach will come to the pier. We'll visit the historical centre of Dubrovnik, the famous city enlisted as UNESCO World
