About the Maple Leaf

Outfitted for Engaging with the Natural World

Maple Leaf is a classic, 92-foot schooner. She accommodates up to 8 guests in 4 semi-private sleeping areas, with 3 shared washrooms, and a crew of 4 or 5.

Maple Leaf is a sea-kindly vessel with a long range. She can take you to the coast's wildest, remotest corners more comfortably and safely than most other vessels. Her sails and 40,000-pound keel keep her steady, and her crew's warmth and culinary delights keep your soul soaring.

A Classic Wooden Sail Boat

Her curved deck planks, mahogany and glass butterfly hatches, fir beams, mahogany cabinetry and the sweep of her long cap rail are a pleasure to look at.

Modern Comforts with Edwardian Elegance

Maple Leaf's interior is in harmony with her heritage: modern conveniences and good space design, melded with a decor that nods to her Edwardian past.

Dining Lounge

Unwind with books, journaling, and conversations in our cozy onboard library and dining lounge. We dine on deck or in this

lounge, depending on the weather.

Galley

From the tiny galley, Maple Leaf's chefs produce incredible meals and snacks fresh each day. Enjoy fine meals and discussions about the day's adventures with the crew and naturalist.

Wheelhouse Lounge

The captain and first mate skillfully navigate and plan routes here. They're happy to share insights and explain the systems. This space features natural history guidebooks and showcases mahogany and Douglas fir craftsmanship that shines throughout the vessel.

Sleeping Areas & Heads (Bathrooms)

The main cabin accommodates eight guests with divided sleeping areas, each featuring large comfortable beds, storage space, reading lamps, and cozy bedding. There are three washrooms with hot water showers.

Decks

Maple Leaf has lots of deck space, on which people may choose to sit and watch the coast's scenery, chat with others, steer the ship, or have quiet time alone.

Shore Boats

Our two zodiacs provide ample space and great access to explore along shorelines, up rivers, near wildlife colonies, and onto beaches.

Kayaks

While at anchor, enjoy one of our two single kayaks. The kayaks are stable and easy to use, with assistance from crew getting in and out.

Fishing Tackle

We have fishing rods and lures ready for jigging. Obtain your fishing licence prior to your trip and take a turn at jigging for halibut or lingcod.

Other Equipment

The ship provides guidebooks, visual aids, and a hydrophone to listen to whale sounds, enhancing appreciation of local flora, fauna, and marine phenomena.

phenomena.
