Bicycles can also be hired to cycle around the paths surrounding the lakes. We continue to the island of Kor ula where we arrive in the late afternoon. Surrounded by ancient walls and fortified bastions Kor ula's old town is very well preserved with its layout and structure dating back to the 13th century. Day 3: KOR ULA - BIŠEVO (BLUE CAVE) / VIS (B, L) *

Early in the morning, cruise towards the little island of Biševo and visit to the Blue Cave, a magnificent natural phenomenon. As sometimes weather conditions can be very unpredictable, the visit depends on prevailing conditions. Entrance to Blue Cave is to be paid on the spot. The cruise continues towards the island of Vis, which has a unique geographical position and was once a strategic harbour for the Yugoslav navy - it was closed to the public until recently. Because of this very isolation, Vis retained a special charm of 'the Mediterranean as it once was' which makes it really interesting to see. Overnight in the town of Vis, situated on the northern side of the island, developed near the remains of ancient Issa, the first urban centre in Croatia. If interested, visit the remains of the Roman thermal place and city museum or simply take a walk enjoying the views of the beautiful villae rusticae situated along the waterfront. For those wandering to see more - rent a car or scooter and explore this wonderful island on your own.

Day 4: VIS - HVAR (B, L) *

The next destination is the tiny island of Šedro near the island of Hvar. Upon arrival, time to relax and refresh in the clean, crystal-blue sea. Departure towards Hvar after lunch, the longest island in the Adriatic. Visit the magnificent Renaissance cathedral with its original tower and the oldest community theatre in Europe which was founded here in 1612. Hvar offers plenty of restaurants, bars cafes and clubs, open long into the night. Overnight in the Hvar harbour.

Day 5: HVAR - BOL - MAKARSKA (B, L) *

Leave Hvar behind and continue cruising towards the island of Bra, heading to the town of Bol, best known for its famous Zlatni rat beach (Golden Horn), a natural phenomenon that with its distinct shape and form dominates other beaches of Croatia. Directional winds and waves cause the shape of the beach to often change. After the swimming break at the horn, cruise towards Makarska with its Mediterranean feel. During a stroll, discover numerous churches and other architectural and cultural sites. Overnight in port.

Day 6: MAKARSKA - PU IŠA (B, L, CD) *

Today's destination is Pu iša, a typical Mediterranean village, situated on the northern side of Bra island at the bottom of a deep bay. But before reaching it, stop for swimming and relax in some secluded bay along the route. After lunch on board, explore Pu iša, home of the world-famous white stone of Bra. There is a possibility of visiting one of the few stone masonry workshops left in Europe. Overnight in the port with the Captain's dinner onboard.

Day 7: PU IŠA - SPLIT (B, L) *

Departure for the last destination, the city of Split, with arrival in the early afternoon. The Old Town of Split is the maze of streets and cobblestoned lanes that surround the 1700-year-old Diocletian's Palace (the Emperor chose this spot for his retirement villa). Both the old town and Diocletian's Palace are under UNESCO protection. People's Square (Narodni Trg) is the heart of the Old Town. Cafes and restaurants spill out into the square and one of the highlights of a visit here is gazing up at the old town clock. On arrival join the guided tour of Split with an English-speaking guide. Overnight in Split.

Day 8: SPLIT (B) *

Breakfast and time to say goodbye to the crew and all your new friends!
