## EXPLORING ARENAL VOLCANO, PEARL ISLANDS, AND THE PANAMA CANAL CRUISE

Experience a wide breadth of Central American wonders on this dynamic voyage that pairs an inland exploration of Costa Rica's Arenal Volcano Area with a maritime adventure through the Panama Canal to Portobelo and the Pearl Islands. Zipline through tropical rainforests, search for a panoply of wildlife on hikes and Zodiac cruises, visit two UNESCO World Heritage sites, and snorkel crystalline waters fringed by pristine beaches. Along the way, naturalists and local guides will illuminate each day's discoveries—from colonial history to local conservation initiatives.

Spend the first few days exploring the natural beauty of the Arenal Volcano Area. Once considered Costa Rica's most active volcano, this cone-shaped wonder (which has been dormant since 2010) looms large over the verdant hillsides that surround it, providing a stunning backdrop to your activities.

Highlights include ziplining over dramatic views of the volcano, lush jungles, and picturesque Lake Arenal; traversing suspension bridges for panoramic treetop vistas; searching for wildlife on the tropical forest floor; and taking a relaxing dip at the Ecotermales Hot Springs, which is heated by the natural energy surging from the nearby volcano.

You'll also visit land near La Fortuna, which was set aside to preserve the habitat for two- and three-toed sloths. Over 30 individuals of both species have been counted in the area. Your naturalists will share insights about the flora and the other fauna, including toucans, agoutis, tree frogs, and owls, which reside in this tropical rainforest. Lastly, marvel at the lush scenery of Pierella Ecological Gardens, a nature reserve and butterfly farm where iconic species like the Blue Morpho are sustainably raised on the property.

Meals Included: Breakfast, Lunch, Dinner

## Day 5 San José / Panama City, Panama / Colón / Embark Ship

Fly from San Jose to Panama City on our recommended group flight or on a flight selection of your own\*. Transfer by land to Colon to embark the National Geographic Quest. Meet your expedition staff and marvel at the coastline ahead as you sail to the historic port of Portobelo.

## Day 6 Portobelo / Panama Canal Transit

This morning, explore the Caribbean Sea on kayaks, stand-up paddleboards, or Zodiac cruises upriver. Portobelo is known for its Spanish colonial military architecture, which is designated collectively as a UNESCO World Heritage site.

Visit several of the town's fortifications, as well as the old Customs House, and hear the tales of Portobelo's pirate history. Enjoy a traditional Congo music and dance performance. Later on, set sail for the Panama Canal. As cargo ships tend to pass through the canal during the day, crossing will most likely begin at night when the canal is dramatically lit. By special arrangement, National Geographic Quest will anchor overnight in Gatun Lake near the Barro Colorado Nature Monument.

Meals Included: Breakfast, Lunch, Dinner

## Day 7 Gatún Lake / Panama Canal Transit

This morning, you have a choice of two activities: Hiking and Zodiac cruising around Barro Colorado Island, which is home to the Smithsonian Tropical Research Institute, or a boat ride to Gamboa, where the Chagres River meets the Panama Canal, followed by a hike on the Panama Rainforest Discovery Center trails. This evening, continue through the complex lock system of the Canal and venture into the Pacific Ocean.

Meals Included: Breakfast, Lunch, Dinner

## Day 8 Pearl Islands

Explore one of the approximately 200 islands that make up the idyllic Pearl Islands archipelago as you learn about the history of the native populations, and eventually the Spaniard colonizers and African slaves, who arrived for the pearl trade. Deep rainforests, lush rivers, white sandy beaches, and shallow reefs provide a memorable backdrop for beach activities and snorkeling.

Meals Included: Breakfast, Lunch, Dinner

## Day 9 Balboa / Disembark Ship / Panama City, Panama

After breakfast, disembark in Balboa and transfer to the airport in Panama City for your flight home, or to begin a three-day Panama City extension.
