## FETHIYE TO FETHIYE TURKEY GULET CRUISE

Departing & finishing in Fethiye this itinerary is a fantastic way to explore the stunning stretch of coastline it provides opportunities to experience the sights otherwise not so easily accessed. You can enjoy a variety of activities such as swimming, snorkeling, kayaking, and hiking, while also relaxing on the deck with beautiful views. Here you can climb over the rocks and get a free look into the lagoon. In the afternoon you will cruise onto St Nicholas Island, where we will spend the night. So, it will give you all plenty of time to go explore the ruins of a Byzantine settlement, join in the many water sports on offer or just enjoy a swim in the bay. Do be sure to at least go onto the island as it is one of the best sunsets along the way.

### Day 3 – St Nicholas Island to Kas

This morning you will head to Simena, where you are given the chance to go onshore to climb up to the castle grounds for a spectacular view of the ancient city and the gorgeous coastline you have travelled. The island and bay are scattered in ancient Lycian sarcophagus with some even sitting in the water. You will have time to explore before you will cruise off to a secluded bay nearby Ucagiz Village. This is where you will spend the night, so you have plenty of time for afternoon swimming and drinks on board.

## Day 5 – Sunken City to Gokkaya Bay

After a lazy morning it will only be a short cruise to the ruins of the Sunken City. This was once part of the village you can see opposite but was destroyed in an earthquake back in the 2nd century.

As you cruise by you will see the ruins of the houses and the village all submerged in the waters. There will be plenty of swimming stops throughout the day before anchoring down at Gokkaya where you will spend the night.

If you fancy a night out there is a night club called Smuggler's Inn in the middle of nowhere nearby. If you are interested in going to meet up with other neighbouring boats and dance the night away, speak with your crew. Or you can always choose to stay on board and have a quiet drink under the stars.

## Day 6 – Aquarium Bay to Kalkan

After breakfast you head to Aquarium Bay, which is famous for its crystal-clear waters. Here there will be time for swimming break before you cruise off to Kalkan. You can either go exploring the old fishing village enjoying the many shops and cafes, bars and restaurants. Or you may like to join one of the optional trips we can help organise onto Patara Beach, or the ruins at Xanthos and Letoon. The evening will be spent in a secluded bay outside of Kalkan.

## Day 7 – Kalkan to Samanlik Bay

This morning the crew will wake up early whilst you keep sleeping. You will eventually wake up in Camli Burun, a natural bay edged with pine-covered hills. Here you will have breakfast and get to enjoy the day relaxing, sunbathing and swimming before you spend your last night at Fethiye harbour.

## Day 8 – Fethiye

This morning after breakfast, it's time to check out around 09:00 am and bid farewell to your friendly crew.
