North Seymour: Follow coastal trails past playful Galapagos sea lions on this wildlife-rich central island. Continue inland through a silvery forest of endemic palo santo trees, where frigatebirds nest, blue-footed boobies dance, and where we may also encounter prehistoric-looking land iguanas feeding on cactus. Isabela: Cross the Equator at Volcan Ecuador, northernmost of Isabela's six great shield volcanoes. Keep an eye open for whales and dolphins, sea turtles and the elusive ocean sunfish. Over two days, land in the footsteps of Darwin and Melville, and look for wildlife along the wildly eroded volcanic shore. Fernandina: One of the most active oceanic volcanoes in the world, Fernandina is the youngest and most pristine island in Galapagos-- and home to the strange flightless cormorant, Galapagos penguins and the largest marine iguanas. Hikes ashore lead across impressive recent lava flows. Española: See swallow-tailed gulls, Española mockingbirds, Nazca boobies and, seasonally, the world's only population of waved albatross at this birdy paradise, also home to vividly colored marine iguanas. Watch sea lions on the wide sand beach, and snorkel offshore, at Gardner Bay. Floreana: Follow a trail past a rose pink-tinted lagoon frequented by flamingos. Snorkel among sea lions and abundant fish, or cruise along Champion Islet by Zodiac. Visit the famous barrel at Post Office Bay. Santa Cruz: Visit Puerto Ayora, the largest town and headquarters of both the Galapagos National Park and Charles Darwin Research Station. See the monument to Lonesome George, and tour the giant tortoise breeding corrals. See the giant tortoises roaming in the wild in the lush, green highlands. Bartolome: Climb the steps to the summit of this 300-foot volcanic wonderland for stunning views. Explore, swim and snorkel from the beach. You might even see Galapagos penguins, one of world's rarest. Santiago: Explore tide pools and look for fur seals sheltered in quiet grottos of black basalt. Swim, snorkel, kayak and paddleboard along Santiago's spectacular coast, and explore an enchanting coastal forest where Charles Darwin once walked. Genovesa: Sail across the Equator to the remote northern realm of the Galapagos, surrounded by warmer tropical waters. San Cristobal: Search for red-footed boobies and the endemic mockingbird and lava lizard--found only on this easternmost island, and dig your toes into the powdery white sand at a gorgeous beach fronted by iconic Kicker Rock. Explore Baquerizo Moreno, where sea lions thrive in the middle of to

DAY 9: Galápagos / Guayaquil / Lima, Peru

Depart Galapagos this morning and fly to Lima, Peru. Check-in at Belmond Miraflores Park, where we spend two nights (new for 2022). Set on a green promenade overlooking the Pacific in fashionable Miraflores, this much-loved hotel is the perfect base to explore. (B,L)

DAY 10: Lima

Explore World Heritage-designated colonial Lima this morning, where we stroll the Plaza Mayor and delight in a private welcome lunch with a special musical presentation at Casa Aliaga, one of the oldest houses in Lima. Then visit the extraordinary Larco Museum dedicated to pre-Columbian art. Return to our hotel with dinner on your own to sample local fare. (B,L)

DAY 11: Lima / Cusco / Sacred Valley

Board a short scenic flight to Cusco this morning, and continue to Moray--a visually stunning Inca site with dramatic agricultural terraces in the heart of the fabled and fertile Urubamba Valley. After lunch and an opportunity to experience a local market, check-in at Belmond Rio Sagrado, set in verdant gardens with views over the valley. (B,L,D)

DAY 12: Sacred Valley

Spend the day exploring the archaeological sites and culture of the Sacred Valley in the company of National Geographic expert Peter Frost (or a colleague), who has lived and worked in Peru for decades. He or a colleague joins us for a talk at our hotel and a visit to the massive Inca stone fortress of Ollantaytambo, set above a thriving Inca community. Lunch is at a working, family- owned hacienda, where we are treated to a show of Peruvian Paso horses, and National Geographic grantee Nilda Callañaupa, founder of El Centro de Textiles Tradicionales de Cusco, demonstrates Inca weaving traditions. (B,L,D)

DAY 13: Sacred Valley / Machu Picchu

Marvel at the dramatic scenery and life along the river en route this morning by train to Machu Picchu, the Inca royal retreat famously introduced to the world by Hiram Bingham in the April 1913 issue of National Geographic magazine. Check-in at the historic 31-room Belmond Sanctuary Lodge, adjacent to the World Heritage site, with the leisure to explore over two days in the company of our hand-picked tour director and local guides. Lunch and dinner at the hotel. (B,L,D)

DAY 14: Machu Picchu / Cusco

Awaken this morning at Machu Picchu, where options include an early hike to the Sun Gate, the ancient final checkpoint to Machu Picchu on the Inca Trail. After lunch, return by train and bus to Cusco--the center of the Inca universe and a burgeoning cultural capital. Check-in at the Belmond Hotel Monasterio on Plaza Nazarenas in the heart of Cusco for two nights. Occupying a monastery founded in 1592, our hotel--like much of colonial Cusco--is built atop Inca stones. (B,L,D)

DAY 15: Cusco

Explore the magnificently ornate 17th-century cathedral, sacred Inca Temple of the Sun, and other treasures of Cusco. Visit nearby Sacsayhuaman, where a series of imposing terrace walls, the most impressive yet, command views over the city. Relax, shop, or visit one of Cusco's many churches and museums this afternoon. Dinner is on your own tonight. (B,L)

DAY 16: Cusco / Lima / Home

After breakfast and a final morning at leisure, say goodbye to the Land of the Inca and fly from Cusco back to Lima. (B,L)
