## GASTRONOMY, VINEYARDS & GRANDS CRUS - PORTUGAL, FRANCE & SPAIN IN LUXURY

From Bordeaux to Lisbon, PONANT invites you on a cruise along the shores of the Atlantic to discover the French, Spanish and Portuguese coasts. Enjoy a different experience of the Atlantic Ocean during an 8-day trip aboard Le Bellot.

Throughout your journey, you will benefit from an excursion included per person per port of call, to choose from a selection offered by PONANT. During this cruise, follow the Medoc region's famous "Route des Chateaux" from Pauillac, visit the beautiful towns of Saint-Jean-de-Luz and Biarritz from San Sebastian, or hike the final kilometres of the Camino de Santiago (the Way of St. James) from Vigo. The diversity of experiences on offer promises you intense and varied moments (to discover the full range of excursions, go to the itinerary tab). The diversity of experiences on offer promises you intense and varied moments (to discover the full range of excursions, go to the itinerary tab).

The ship will set sail from Bordeaux, considered the wine capital of the world, to reach your first port of call, Pauillac. Here, several visits and wine tastings at some beautiful wine estates in the Saint-Estephe, Margaux and Pauillac appellations will enable you to explore the region in the best possible way.

Your ship will then set a course for San Sebastian. In the heart of the Spanish Basque Country, you will fall in love with this city's shell-shaped bay, its opulent buildings and its narrow little streets.

Le Bellot will then sail to the capital of the region, Bilbao. Here,

you will be able to enjoy the city's unique energy, its daring architecture and its ancestral traditions.

Your next port of call will be in Galicia, in the city of Vigo, Spain's biggest fishing port. Not far from there, Santiago de Compostela awaits you. This unmissable pilgrimage destination is home to a number of monuments from the Romanesque, Gothic and Baroque periods, testimony to its illustrious past.

Leixoes will be the next stop on your cruise. From there, you will have the opportunity to visit Porto. Capital of the northern region of Portugal, this 'city of granite', the centre of which is a UNESCO World Heritage site, is renowned for its wine.

Your cruise will come to an end in Lisbon, sitting on the Tagus River, distilling its one-of-a-kind charm imbued with rich history.

Discover Pauillac, a town in southwestern France located a few kilometres away from Bordeaux, stretching along the Gironde. The undisputed capital of Medoc, Pauillac will open up its magical universe for you, from culture and heritage to vineyards and chateaux. This stop will be a voyage of myriad flavours, particularly during the tasting of the region's wines, revealing their soft ruby colours and reflections turning amber with time. Enjoy both a sensorial adventure and an adventure into the heart of the town. Don't miss the visit of Saint Martin's Church or the mysterious grotto of Artigues, dominated by a statue of the Virgin Mary. As for the Aspic Tower, it is topped with a dome from which the harvesters' work used to be overseen.

## Day 3 PASAJES - SAN SEBASTIÁN

On the Spanish Basque coast, discover Pasaia, a picturesque little town nestling in the hollow of verdant mountains, on the shores of the bay. The coastal footpath offers magnificent views over the sea and goes all the way to San Sebastian. Nicknamed the "Pearl of Cantabria" because of its shell-shaped bay, this renowned seaside resort in the Bay of Biscay combines an idyllic natural setting with the charm of the Belle Époque.

## Day 4 BILBAO

Bilbao, capital of the Spanish Basque country, is one of the most avant-garde cities in Europe. Its architectural audacity as well as its ancient built heritage will take you on a journey between traditions and innovations. An unusual cable car will allow you to reach the magnificent Guggenheim Museum, a unique construction of stone, glass and titanium, designed by the architect Frank Gehry and home to a collection of modern art and contemporary monumental sculpture. The narrow streets of the old city and the unmissable Ensanche district are also worthy of a visit, as is the Vizcaya bridge, the world's first ever transporter bridge, a UNESCO World Heritage Site.

## Day 8 LISBON

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

## Day 6 VIGO – SANTIAGO DE COMPOSTELA

Nestling on the Atlantic coast, in the south of Galicia, the former fishing port of Vigo is now the region's largest municipality. Its old town, more commonly known as O Berbes, will unveil its many historical monuments and the unusual architectural style of its homes. Off the coast, the Cies Islands, declared a Nature Reserve and located in the Atlantic Islands of Galicia National Park, offer truly splendid landscapes and exceptional biodiversity. Further north, make sure you visit Santiago de Compostela, which welcomes many pilgrims from all over the world every year. Designated a UNESCO World Heritage Site, its historical centre has significant architectural heritage.

## Day 7 LEIXÕES - PORTO

Located at the mouth of the Douro River, the port of Leixoes lies less than 10 kilometres from Porto. A UNESCO World Heritage Site, the historic centre of Porto is worth a visit for its famous Ribeira district, the metallic silhouette of the Dom-Luis bridge looming over its ancient houses, its richly decorated Baroque churches and its national Soares dos Reis museum. The Sao Bento station is also interesting for its typically Portuguese decoration, using Azulejos, blue square ceramic tiles decorated with geometric patterns or figurative scenes.

Portugal's capital city located on the banks of the Tagus, only a few kilometres from the Atlantic coast, is a city of exceptionally rich cultural diversity. At the mouth of the river harbour, impose two UNESCO World Heritage monuments, Jeronimos monastery and Belem tower. The Alfama hillside is also worth visiting: known for its fado bars and its Moorish streets, this district is the oldest one of the city and one of the most typical. Not far from there, Chiado's elegant streets are home to big fashion labels and are an invitation to a bit of luxury shopping.
