Day 2 Day under full sails

Day 3 Capri, Italy

Arrival 8:00 am, Departure 1:30 pm

Even at the time of the Roman Empire, Capri was a particularly precious natural gem and became the summer residence of the Emperor Tiberius. Artists and hedonists, aristocrats and the moneyed classes discovered the island for themselves in the 19th century. This stunningly beautiful rocky island in the Gulf of Naples is famous for its numerous grottos, the most well known being the Blue Grotto. You can expect a combination of pleasure and spectacle when you experience the colorful lifestyle and goings-on in the Piazzetta right in the center of Capri.

Sail along the Amalfi Coast

Day 4 Agropoli, Italy

Arrival 8:00 am, Departure 1:30 pm

Positioned in a strategic location high above the rocky coastline, Agropoli was founded by the Greeks in the 7th century A.D. Indeed the Greek word 'Acropolis' means 'high city'. The beautiful old town boasts a castle, the remains of the town wall and a town gate, all of which are testament to its turbulent history. Exquisitely preserved Doric temple complexes from the 6th and 5th centuries B.C. can be found at the ancient site of Paestum, known to the Greeks as Poseidonia and listed as a UNESCO world heritage site. Buffaloes graze in the plain of the River Sele between Salerno and Paestum. Their milk is used to make the best Mozzarella in Italy.

Day 5 Day under full sails

Time to lean back and relax in the deck chair and watch the passionate crew hoisting the sails by hand.

Day 6 Lipari, Aeolian Islands

Arrival 8:00 am, Departure 1:30 pm

Lipari is a tranquil little spot and the largest of the Aeolian Islands, with a cultural heritage stretching back over 6,000 years. Right from first glance you can see its volcanic heritage, with some of the rock formations resembling sculptures, and the entire group of islands is a UNESCO World Heritage Site. The Aeolian Museum is set on the castle hill and holds an impressive collection of prehistoric and ancient artefacts from this volcanic group of islands. You will find the southern Italian way of life in this little port infectious.

Day 7 Taormina (Naxos), Sicily

Arrival 7:00 am, Departure 6:00 pm

Taormina is perched on a rock with a majestic view over the sea. In the 19th century, this small town had already developed into a dream destination for well-heeled travellers and artists. The town's fascination lies in its elegance, the many ancient buildings, the stunningly beautiful coastline, the mild climate, and the view over the silhouette of Etna. Europe's largest volcano is over 9,843 feet high, has four summit craters and around 400 subsidiary craters, and is covered with snow almost all year round. In ancient times it was considered the seat of the gods, but nowadays large sections of it are a nature reserve.

Day 8 Syracuse, Sicily

Arrival 8:00 am, Departure 1:30 pm

The municipal area of Syracuse boasts relics from cultural history going back more than three millennia. In ancient times, the city was the most powerful in the known world and was famed for its splendour. The island of Ortigia, now a UNESCO World Heritage Site, was where Syracuse began its rise as an ancient city. The huge cathedral is at the heart of the old town, magnificent palaces

line the Piazza and wide promenades invite you to take a stroll. The archaeological park brings Greek and Roman history back to life. Yet Syracuse exudes southern Italian charm, with washing drying outside the windows.

Day 9 Valletta, Malta

Arrival 8:00 am

This strategically important location has always attracted foreign conquerors. More than 7,000 years ago, a civilisation existed here, leaving behind enormous temple complexes. Just like proud Valletta, these are now UNESCO World Heritage Sites. Jean Parisot de la Valette, Grand Master of the Order of St John, founded a modern fortified city on a rock in 1566, between the two splendid natural ports of Marsamxett and Grand harbor. Long rows of facades made from golden-yellow blocks of chalk stretch along the straight streets. Splendid Renaissance and Baroque buildings are evidence of riches and power, such as the Palace of the Grand Master and the impressive St John's Co-Cathedral.
