HALONG BAY AND THE RED RIVER CRUISE

On a Pandaw ship travellers are able to explore the key sites of Northern Vietnam by river ship traversing the Red River delta and its main tributaries, connecting the wonders of Halong Bay with the excitements of downtown Hanoi, and then on into the interior, well off the beaten track. This is a combination of scenic beauty, lively and interesting (sometimes industrial) life of the river and exploring rivers where no other tourist craft operate.

Sailing deep into Highland Vietnam we will discover the mountain villages and a number of tribal areas. We will go as far as is navigable up the Song Red River and then down the little known Da or Black River. Note that this is a real river expedition and itineraries and schedules very much subject to change due to uncertain local conditions.

ITINERARY

DAY 1 HALONG BAY

Transfer from Hanoi to Halong Bay to embark your Pandaw ship followed by lunch on board. Cast off in the afternoon with a welcome cocktail for an evening sail, dropping anchor in a sheltered bay amidst the beautiful island scenery.

Morning sail around Halong Bay and beyond with its 1,500 dramatic limestone islands and extraordinary rock formations, dating back 20 million years.

We make a stop at Viet Hai Village and continue our journey by mountain bike or electric buggy to visit the village's vegetable farm and typical village houses. It is a breathtaking trip along a small road winding its way through the limestone rocks.

In the afternoon we will continue cruising towards Lan Ha Bay for a visit to a floating fishing house.

Weather dependent, we will end the day with cocktails at a beautiful beach in Halong Bay.

DAY 3 HALONG BAY

Our exploration of Halong Bay continues and we stop at the so called "Dark and Bright Cave". Take a kayak or a local basket boat rowed by fishermen and enter this remarkable cave into an enclosed area similar to a crater. Bats can be heard in the cave and massive stalagmites hang from the ceiling.

In the afternoon, we leave Halong Bay and enter the river where we drop anchor near Hai Phong.

DAY 4 THE KINH THAY RIVER

Observe the lively and interesting life of the Kinh Thay river, a key commercial waterway. In the afternoon we visit Thanh Ha Commune, considered the origin of water puppetry in Vietnam. After a stroll or bicycle through the quaint village, we enjoy a private water puppet show set under shade by a beautiful pond of lotus and lilies, as it has been enjoyed for centuries.

We continue cruising until late evening and drop anchor midstream.

DAY 5 DAY RIVER

We sail along the Lower Red River and Day River this morning whilst getting more acquainted with your expedition vessel as you enjoy a ship tour. After

lunch onboard we head ashore to Co Chat village, Nam Dinh. Here we visit local craftspeople making silk by hand and the local markets filled with exotic produce.

DAY 6 KHANH THIEN VILLAGE

We continue our exploration of the Red River Delta today, sailing toward Ninh Binh before mooring at Khanh Thien Village. We disembark in the morning for a journey to Phat Diem, home to Phat Diem Cathedral, a 19th-century Roman Catholic church built in an eclectic blend of Vietnamese and European architectural styles. After lunch we explore Khanh Thien Village by local transportation or bicycle and discover a host of handicrafts including water hyacinth weaving and a variety of rice paper and cakes. We end the evening with a performance by the locals of 'Chau Van' singing, an ancient art form local to this area.

DAY 7 NINH BINH

Discover 'Halong on Land' today as we visit Ninh Binh and take small bamboo rowing boats through the magnificent limestone caves. Visitors in September and October or April and May will witness the valleys shine golden as the rice fields prepare for harvest. We then return to our ship and sail upstream on the Red River towards Hanoi.

DAY 8 HANOI

Dropping anchor in the bustling city of Hanoi, passengers will visit some highlights of this Asian metropolis including must-sees like the notorious Vietnam war prison known as the Hanoi Hilton and the Temple of Literature, Vietnam's first University that is dedicated to the Chinese Philosopher Confucius. We also stop outside The Ho Chi Minh Mausoleum along the way to discuss the work required to preserve the body of 'Uncle Ho.' In the afternoon we take a walking tour of Hanoi old quarter, a bustling maze of food and shopping that is an assault on the senses. We visit a coffee shop to learn about Vietnam's famous coffee making industry and try an authentic egg coffee.

This morning we visit Bat Trang ceramic village, a hub of ceramic production for generations. The ceramics made here are famous throughout Vietnam and adorn many homes both north and south. Before returning to the ship, a local dance troupe will treat us to a lion dance on the pier. This colourful and energetic dance is customary during festivals throughout Vietnam, most notably during Tet. We then set sail into the lesser visited upper Red River beyond Hanoi. We make a stop at a small village dedicated to the handmade production of Vietnam's most famous headwear, the Non La conical hat before continuing to Tay Pagoda. Hardly known, yet with exquisite temples dating from the 11th century, we visit this beautiful temple beside a lake and explore the village that surrounds the pagoda.

DAY 10 THE UPPER RED RIVER

In the morning we go ashore to visit the UNESCO praised village of Duang Lam. This ancient village is a well preserved example of a traditional Vietnamese village from centuries ago with intricate architecture and fascinating culture. In the afternoon we visit the smith village of Ly Nhan to witness first-hand the traditional production methods still being used to this day. We then sail upstream for your farewell dinner onboard.

DAY 11 VIET TRI

Disembark after breakfast and enjoy a morning excursion en route to Hanoi. We start with a visit to Hung Lo temple where we will be serenaded with traditional folk music as well as enjoy an exploration this quaint traditional town. Lunch will be served at a local restaurant followed by a transfer to Hanoi Noi Bai International Airport or Hanoi City.

YOUR SHIP: ANGKOR PANDAW

YOUR SHIP:	Angkor Pandaw
VESSEL TYPE:	Luxury River Cruising
LENGTH:	42.2 m
PASSENGER CAPACITY:	32 passengers
BUILT/REFURBISHED:	2012

Angkor Pandaw is a handsome two-deck riverboat, a luxurious yet unostentatious replica of a colonial-era vessel dating from 1865.

It is a K-class ship. The K-class dated back to the 1880s and were comprised of stern wheelers designed to reduce draft, their boilers placed in the bow to improve trim. Smaller than the great line steamers of the age, the K-class ships were used on the Chindwin and upper reaches of the Irrawaddy. Where possible we have reused the old IFC names and many of these original K-class ships had fascinating histories, through times of war and peace.
