Time to lean back and relax in the deck chair and watch the passionate crew hoisting the sails by hand.

DAY 3 | TERRE-DE-HAUT/ÎLES DES SAINTES

Arrival 08.00 am, Departure 01.30 pm Spend the day sunbathing, enjoy the fresh wind breeze, and relax into the day!

DAY 4 | RODNEY BAY/ST LUCIA

Arrival 03.00 pm, Departure 11.00 pm Two famous volcanic cones are indisputably the emblem of St Lucia and have been designated as UNESCO World Heritage Sites. Gros and Petit Piton tower over the southern, windward side of the island. The volcanoes have in fact long been extinct, but the sulphur springs demonstrate the power of the earth's core and still bubble up. In the Botanical Gardens, natural abundance is combined with artistic arrangements to create a colorful tropical paradise. Some people claim that Josephine, who later became Napoleon's wife, used to bathe in the little pool in the garden.

DAY 5 | SOUFRIÈRE/ST LUCIA

Arrival 08.00 am, Departure 05.00 pm Two famous volcanic cones are indisputably the emblem of St Lucia and have been designated as UNESCO World Heritage Sites. Gros and Petit Piton tower over the southern, windward side of the island and, in Soufriere, seem close enough to touch. The volcanoes have in fact long been extinct, but the sulphur springs demonstrate the power of the earth's core and still bubble up. In the Botanical Gardens, natural abundance is combined with artistic arrangements to create a colorful tropical paradise. Some people claim that Josephine, who later became Napoleon's wife, used to bathe in the little pool in the garden.

DAY 6 | ST GEORGE'S/GRENADA

Arrival 06.00 pm Beautiful beaches, aromatic spice plantations, dense rainforests, waterfalls and a volcano that has long been extinct, picturesquely towering over this stunningly beautiful island. For many people, Grenada is the incarnation of a tropical paradise and St George's the most beautiful little port

in the Grenadines. All around the horseshoe-shaped bay there are numerous houses that remind you of colonial times. There is good reason why nutmeg is immortalised on the national flag. Alongside cloves, cinnamon and ginger, it is one of the island's biggest exports.

Alongside cloves, cinnamon and ginger, it is one of the island's biggest exports.

DAY 8 | CHATHAM BAY/UNION ISLAND

Arrival 08.00 am, Departure 06.00 pm Right in the south of the Grenadines are Union Island and the Tobago Cays. Union Island was given the evocative name "the Tahiti of the West Indies" thanks to its volcanic silhouette. Four small uninhabited islands, surrounded by a protective horseshoe-shaped coral reef, form the Tobago Cays. The Horseshoe Reef holds the Atlantic swell at bay and its unique animal and plant life make it an ideal place for snorkelling. The lagoon between the islets shimmers in all shades from turquoise through to emerald green and invites you to take a dip at the fantastic beaches.

DAY 9 | DAY BENEATH FULL SAILS

Climbing the rigging, untying ropes, setting sails - today is all about sailing. Time to lean back and relax in the deck chair and watch the passionate crew hoisting the sails by hand.

DAY 10 | CABRITS/DOMINICA

Arrival 08.00 am, Departure 01.30 pm Dominica, nicknamed the "Nature Isle" of the Caribbean, is one of the most untouched of the Windward Islands. It boasts some of the highest mountains in the Lesser Antilles, as well as many

beautiful national parks. Its interior is characterised by thick virgin forest, where rivers plunge into the depths and tiny streams wind through the jungle. Two extinct volcanoes are at the center of the Cabrits National Park and, recaptured by nature, the former strategically important Fort Stanley appears like a picturesque backdrop in the heart of the jungle.

DAY 11 | DAY BENEATH FULL SAILS

The First Officer will provide deeper insights into the fascinating world of a tall ship.

DAY 12 | NORMAN ISLAND/BRITISH VIRGIN ISLANDS - NORTH SOUND/VIRGIN GORDA

Norman Island/British Virgin Islands Arrival 09.00 am, Departure 04.00 pm North Sound/Virgin Gorda Arrival 19.30 Uhr Explorers and privateers once used to cross swords in the Sir Francis Drake Channel. Nowadays the sea around the British Virgin Islands is one of the world's best sailing areas. Heavenly bays, gorgeous beaches, idyllic anchoring spots, smart yacht clubs and charming little beach bars make the island a popular haunt for sailors. On Virgin Gorda, once called "The Fat Virgin" by Columbus due to its shape, you can find "The Baths", one of nature's most beautiful oddities, in the National Park. Ground to a sphere and polished to a shine, the huge granite formations on the beach and in the water create a multi-branched labyrinth of giant boulders.

DAY 13 | NORTH SOUND/VIRGIN GORDA

Departure 10.00 pm Explorers and privateers once used to cross swords in the Sir Francis Drake Channel. Nowadays the sea around the British Virgin Islands is one of the world's best sailing areas. DAY 14 | GUSTAVIA/ST BARTHÉLEMY

Arrival 08.00 am, Departure 11.00 pm St Barthelemy, affectionately known as St Barths by most, had already had many "owners" before the Lesser Antilles were acquired by France in 1877. When the first estate was acquired by the banker David Rockefeller in 1957, the island's future was finally sealed. It became a refuge for the international jet set and an elegant holiday paradise for many Hollywood stars. For over 40 years, St Barths has cultivated a luxurious lifestyle with a Caribbean laissez-faire approach. You can stroll through the charming main town of Gustavia, whose beautifully restored houses and colonial facades look out over the sea with its elegant superyachts, browse in the shops for precious items, or enjoy a sundowner in the picturesque harbor surrounded by clusters of high class bars and restaurants.

DAY 15 | PHILIPSBURG/ST MAARTEN

Arrival 08.00 am Dutch in the south, French in the north - on St. Maarten you will find an unusual piece of Europe in the middle of the Caribbean. Because of the natural salt deposits, the Dutch West India Company once claimed the island for itself and - according to legend - divided the island up in 1648 after a drinking competition with the French. In the colorful port city of Philipsburg, a day at the beach can be perfectly combined with a stroll through town: From the fine sandy Great Bay Beach it is only a stone's throw to the Boardwalk with its restaurants and to the boutiques of the small city center.

YOUR SHIP: SEA CLOUD II

YOUR SHIP:	Sea Cloud II
VESSEL TYPE:	Tall Ship (Sailing)
LENGTH:	105 metres
PASSENGER CAPACITY:	96
BUILT/REFURBISHED:	2001

Launched in 2001, Sea Cloud II is a stunning vessel, built along traditional lines, but offering deluxe accommodation. She combines timeless elegance of sailing ships of the past with the highest safety standards and the luxurious comfort of modern cruise ships. Just like her legendary sister ship Sea Cloud, the 29,600 square feet of sails is set by hand which is a truly magical sight.

Built to accommodate 96 passengers in five star luxury, she offers a range of beautifully appointed suites and cabins which are furnished with great style. All accommodations have outside views and the bathrooms, in light marble, are unusually spacious and extremely comfortable. The finest, carefully chosen fabrics, combined with leather, rattan and other materials, brass and gold, precious woods and marble together create an impressive ensemble.

No expense has been spared to create a sympathetic ambience in both the accommodations and public areas and this is reflected throughout the vessel. Public areas include an elegant lounge, library, fitness centre, boutique, lido bar and hospital. The single sitting dining room is airy and modern and the quality of the cuisine and service will be to the highest of standards, as

one would expect on a Sea Cloud cruise. Relax on the Lido deck and experience the natural grandeur of travelling under sail, rekindling memories of a bygone age.

Please note deck and suite plans are indicative only and may vary slightly.
