NATURAL SELECTION JOURNEY - SOUTH-EASTERN AND WESTERN GALAPAGOS CRUISE

Our Southeastern Galapagos Yacht Itinerary begins with an introduction to the beautiful beaches of the archipelago over at Las Bachas. The following day, we'll travel down to San Cristobal Island, where you'll get a proper sense of the island life and visit a giant-tortoise breeding center. Next, magnificent Española Island awaits to dazzle your senses with the largest bird in Galapagos along with its epic coastlines and geography. Floreana is up next, providing insight into the intriguing human history of the Galapagos. After that, we'll visit Isabela and Fernandina Islands and get a chance to admire its geology as well as flightless cormorants and penguins. Santa Cruz and North Seymour round out this itinerary with tours of the lush highlands and spectacular wildlife.
