THE LOWER GANGES & BRAHMAPUTRA RIVER CRUISE

There can be no river in the world as sacred as the Ganges and an expedition on the Lower Ganges or Hooghly is one of the prettiest river journeys imaginable. The river wends its way through the lush countryside of West Bengal with its culturally significant towns crammed with temples and palaces. A rich and vibrant rural life abounds and there is never a dull moment as we sedately ply this pleasant waterway. Combine this with the mighty Brahmaputra river in Northern India which originates high in the Himalayas before flowing through the scenic Assam Valley where UNESCO protected national parks and remote rural communities provide the traveller with the most wonderful and authentic expedition.

DAY 17 GUWAHATI

After breakfast, disembark the ship and transfer to city hotel or Guwahati airport for your onward journey.

Please note:

We suggest to change money at a bank or withdraw cash from an ATM at the international airport before exiting.

The weather in Assam can be unpredictable and can be cool of an evening. Between December and February it can be particularly cold and we advise bringing warm weather attire for sailings during these months.

The Brahmaputra River is a fast flowing and changeable river. Navigable channels can change overnight meaning amendments to excursions, sailing times and mooring locations can occur with little warning. We will endeavour to fulfil all stated excursions or suitable replacements where possible, but a flexible approach is required for sailing on the Brahmaputra.

Comprehensive health insurance, including cancellation insurance is strongly recommended for all Pandaw expeditions.

YOUR SHIP: KALAW PANDAW

YOUR SHIP:	Kalaw Pandaw

PASSENGER CAPACITY:	36
BUILT/REFURBISHED:	2014

Kalaw Pandaw is a K-class ship. The K-class dated back to the 1880s and were comprised of stern wheelers designed to reduce draft, their boilers placed in the bow to improve trim. Smaller than the great line steamers of the age, the K-class ships were used on the Chindwin and upper reaches of the Irrawaddy. Where possible we have reused the old IFC names and many of these original K-class ships had fascinating histories, through times of war and peace.
