THE MANY FACES OF CAPE VERDE CRUISE

Formed by volcanic lava and sculpted by the force of the Atlantic waves, the Cape Verde islands reveal the raw beauty of an incomparable natural environment. There are, of course, the tranquil beaches and the strains of morna coming from Mindelo. There is the history of a former Portuguese colony that still bears traces of its past, and a geographical location that has attracted many influences to this string of islands. But above all, Cape Verde represents an indefinable sense of freedom. Carried by the wind, aboard Le Ponant, discover an unexpected world where the elements evoke incredible emotions.

Whether you are a lover of the sea or a curious traveller, experience once again the indescribable joy of navigating under sail surrounded by the elements. Take your place aboard Le Ponant, the first Relais & Chateaux sailing yacht, a majestic three-master with elegant lines and an interior designed by the Jean-Philippe Nuel studio to be a warm and intimate setting with a highly distinctive character. As if on your very own yacht, savour the freedom of living in the moment on this cruise to discover the many faces of Cape Verde.

ITINERARY

Days 1 - 2 MINDELO

Set on the shores of the Porto Grande bay on the north-west coast of Sao Vicente, Mindelo is considered to be Cape Verde's cultural capital. Here in singer Cesaria Evora's homeland, you can listen to real morna in the bars of the old town, where you can also sip the local grog, a Cape Verdian sugarcane spirit. A few streets from the elegant floating resort of Pont d'agua you'll see the pastel-coloured houses and colonial buildings of the historical district. Other landmarks are the facades of the old Governor's Palace and the busy municipal market.

Located south-west of Sao Vicente, the island of Sao Nicolau is a dramatic sight with steep, richly forested mountains that reach their peak at Mt Gordo. Near the summit, the island's attractive capital, Ribeira Brava, nestles in a deep green valley. Not far off, you can hike along the mountain paths of Faja, where you'll see rare and extremely old dragon trees growing naturally on the high plateaux. Coastal landmarks include the Blue Hole, peaceful Tarrafal beach and the picturesque fishing village of Preguiça.

Day 4 BOA VISTA

The third largest island in the Cape Verde archipelago, Boa Vista offers visitors stunning white-sand beaches and emerald water. Dubbed "the sand dune island", it is particularly well-known for its wild, desert landscapes that are windswept all year round. Sand dunes, oases and arid plains form the landscape of this small stretch of land that is barely 30 km (20 miles) long. Make the most of your stop here by experiencing the joy of swimming amid abundant marine life.

Day 5 PRAIA

The capital of Cape Verde, Praia, is located on the southern tip of Santiago island. You can dally in the districts planted with Tamarind and Albizia trees. Above the harbour, the statue of Diogo Gomes pays homage to the man who discovered Cape Verde in 1460. A few streets away, in the old centre, the Ethnographic Museum presents the diversity of the archipelago's cultural origins. Its historical building with transom windows is one of the city's more unusual curiosities.

Day 6 MAIO

Discovered in 1460 in the month of May, as its Portuguese name indicates, Maio lies east of Santiago in the Cape Verde archipelago. At the southwestern end of the island, you will discover the city of Porto Inglês, also known as Vila do Maio, where the pastel houses nestle against rounded hillsides. This port city played a pivotal role in the export of salt by the English in the 17th century. Overlooking the city, the fortress built in the 18th century as protection against pirate attacks still bears traces of its turbulent past. The long beaches of white sand that edge the island are now an invitation to enjoy the peace and serenity.

Day 7 FOGO

Lying west of Praia, the volcanic island of Fogo is Cape Verde's highest landmark. The foothills of Pico de Fogo are ideal for hiking, with an immense caldera surrounding the active crater. Trails start at the little town of Cha das Caldeiras and you can see recent lava flows and older ones sprouting with new growth. Along the rocky coastline you'll come across picturesque Mosteiros and the historic town of Sao Filipe, where elegant colonial houses overlook the Atlantic.

Day 8 MINDELO

Set on the shores of the Porto Grande bay on the north-west coast of Sao Vicente, Mindelo is considered to be Cape Verde's cultural capital. Here in singer Cesaria Evora's homeland, you can listen to real morna in the bars of the old town, where you can also sip the local grog, a Cape Verdian sugarcane spirit. A few streets from the elegant floating resort of Pont d'água you'll see the pastel-coloured houses and colonial buildings of the historical district. Other landmarks are the facades of the old Governor's Palace and the busy municipal market.

Their design offers a blend of purity, excellence and a sense of easy living through the prominent use of stylish plain tones: off-white, taupe and caviar grey.
