## MEDITERRANEAN SERENADE - CRUISE IN EAST SICILY & MALTA

### Cruise in East Sicily & Malta

The distinctive and diverse peninsulas of these countries provide a natural playground best explored by a small ship. We've crafted the ultimate itinerary to ensure you experience our destinations thoroughly, prioritizing your comfort and safety. Situated amidst the cobalt-blue seas off Sicily's northeastern coast, the UNESCO-protected Aeolian Islands (including Gozo Island, sailing around Stromboli, and Lipari Island) are a true paradise—a seven-island archipelago brimming with opportunities for relaxation and outdoor adventure.

### ITINERARY

#### Day 1 VALLETTA, MALTA

Valletta, Malta (2pm):

Enjoy a welcome drink on board, and a chance to settle in as well as meet your crew and fellow passengers. Overnight in port before we set sail on our adventure the following morning.

#### Day 2 VALLETTA - GOZO ISLAND, MALTA - SYRACUSE, ITALY

In the morning, the boat departs from Valetta port, heading to Malta's cherished Gozo Island, famous for the Ggantija temples. These UNESCO World Heritage Sites are among the oldest free-standing megalithic monuments in the world, dating back 5,500 years. Enjoy a refreshing morning swim in the tranquil Maltese waters before having lunch on board. Early in the afternoon, we arrive at Gozo Island, where you'll have the afternoon free for exploration and dinner ashore. After dinner, the ship will depart Gozo for the glorious Sicily.
