MONIQUE 8 DAY GALAPAGOS CRUISE B

Itinerary B offers an unforgettable 7-night cruise through the remote and wildlife-rich islands of the Galapagos. Beginning with iconic sites like the Charles Darwin Research Station and ending in the peaceful mangroves of Black Turtle Cove, each day is packed with up-close wildlife encounters, striking landscapes, and fascinating ecological insight. You'll walk among giant tortoises, snorkel with sea lions and rays, and witness dramatic bird colonies across a diverse range of island ecosystems.

This journey blends education, adventure, and natural beauty in one of the world's most protected and awe-inspiring destinations.

For shorter, 3- or 4-night cruises, please contact us.

ITINERARY

Day 1 – Baltra Airport & Charles Darwin Research Station (Santa Cruz Island)

After arriving at Baltra Airport, you'll be welcomed and transferred to M/C Monique.

In the afternoon, visit the Charles Darwin Research Station and tortoise breeding center, then head into the highlands of Santa Cruz to see giant tortoises in the wild and enjoy birdwatching in the lush landscape.

Day 2 – Post Office Bay & Cormorant Point (Floreana Island)

In the morning, explore Post Office Bay, where you can join a centuries-old tradition of mail exchange. Enjoy snorkeling, kayaking, and lava tunnel walks.

In the afternoon, visit Cormorant Point's unique green and white sand beaches, and watch for flamingos and other waterbirds around a nearby lagoon.

Day 3 – Punta Suarez & Gardner Bay (Española Island)

Hike the rugged trail at Punta Suarez to encounter blue-footed boobies, marine iguanas, and waved albatrosses (in season).

In the afternoon, relax at Gardner Bay's soft white beach, swim or snorkel with sea lions, and explore coral reefs around Gardner and Osborn Islets.

Day 4 – Witch Hill, Kicker Rock & Interpretation Center (San Cristobal Island)

Begin with views of the iconic Kicker Rock, then enjoy swimming and snorkeling in the peaceful bay of Witch Hill.

Later, visit the San Cristobal Interpretation Center for an insightful overview of Galapagos geology, ecology, and conservation efforts.

Day 5 – Santa Fe & South Plaza Islands

In the morning, hike among giant cacti and endemic land iguanas on Santa Fe, followed by snorkeling in its calm bay.

In the afternoon, explore colorful South Plaza Island, where seabirds soar above dramatic cliffs and vivid succulents cover the ground.

Day 6 – Darwin Bay & El Barranco (Genovesa Island)

Disembark on Darwin Bay's coral beach, home to nesting frigatebirds and red-footed boobies.

In the afternoon, climb Prince Philip's Steps to a seabird-rich plateau and enjoy kayaking, snorkeling, or dinghy rides near fur seals and sharks.

Day 7 – Chinese Hat & Dragon Hill (Santa Cruz Island)

Snorkel or kayak around the striking lava formations of Chinese Hat, a small scenic islet off Santiago Island.

In the afternoon, hike Dragon Hill to spot land iguanas and flamingos, followed by offshore snorkeling in the nearby waters.

Day 8 – Black Turtle Cove & Departure (Santa Cruz Island)

Glide silently by dinghy through the mangrove-fringed waters of Black Turtle Cove, a peaceful haven for rays, sea turtles, and reef sharks.

After this serene finale, you'll be transferred to Baltra Airport for your return flight to mainland Ecuador.
