

NORTH TO TRUE ALASKA EXPEDITION

Experience an amazing array of True Alaska highlights in a five-night timeframe. The "North to True Alaska Expedition" was crafted as a celebration of Alaskan Dream Cruises' 10-year anniversary, and now it's back by popular demand! You'll experience Alaska's famous wildlife, pristine wilderness bays and rainforest, kayak, and skiff adventures, stunning Glacier Bay National Park, and three of the Inside Passage's most historical and charming towns--Sitka, Skagway, and Juneau. While all of this is offered in a 5-night expedition, the itinerary is carefully outlined in a way that is unhurried and there are multiple opportunities for unscripted discovery and adventure - hallmarks of our experiences.

ITINERARY

Day 1 Sitka

Welcome to beautiful Sitka, considered by many to be one of the most picturesque communities in The Last Frontier. Beautiful totem poles adorn public areas and the Sitka National Historical Park, while the famous St. Michael's Cathedral stands in the center of the downtown district. You'll be

charmed by the island-studded waterfront, rugged mountain peaks of Baranof Island, and abundant bald eagles and marine life.

Day 2 Chatham Strait & Lynn Canal

Voyage through Chatham Strait and Lynn Canal en route to the northern end of the Inside Passage. These areas are well known for some of the best wildlife viewing in the region. This is a day of True Alaska discovery and adventure that may include kayaking, a remote beach landing via our expedition skiffs, or other activities determined by the captain and expedition team.

Day 3 Skagway

Stroll the boardwalks of the rollicking Klondike gold rush town of Skagway while enjoying its unique history. In the late 19th century, thousands of crazed gold seekers poured into the community en route to the Klondike. Wooden buildings, streets, and docks were constructed in mere months. Skagway was rambunctious, lawless, and tormented by a notorious con man named Soapy Smith. Today, historic businesses, frontier homes, and museums bring the spirit of the gold rush to life. Aboard the White Pass and Yukon Route railroad, you'll enjoy a journey retracing the steps of gold-seekers into Canada. Built in 1898, the railroad climbs nearly 3,000 feet in 20 miles and offers stunning wilderness views.

Day 4 Wilderness Bay

Venture into one of the many intimate coves or inlets of the Chilkat Peninsula or Admiralty Island, such as Alaskan Dream Cruises' exclusive property at William Henry Bay. Enjoy kayak and expedition vessel exploration in the heart of Alaska's wilderness.

Day 5 Glacier Bay National Park

This remarkable national park fjord extends 65-miles, contains tidewater glaciers, and provides pristine habitat for a wide-array of wildlife, including both brown and black bears, wolves, mountain goats, Steller sea lions, and humpback whales. The highlight for many is Margerie Glacier or John Hopkins Glacier, which have been known for their dramatic calving displays.

Day 6 Juneau

Disembark in Alaska's capital city of Juneau. Transfer to your hotel or the airport is complimentary. Choose to extend your adventure with custom offerings such as a journey into Tracy Arm aboard a high-speed expedition vessel, a glacier helicopter landing and trek, and saltwater fishing for salmon or halibut.
