NORTHERN CROATIA PREMIUM CRUISE FROM OPATIJA

Cruise aboard a very comfortable small ship to explore Croatia's coastline. You'll visit picturesque islands, charming cities, lovely small ports and a few hidden gems on this very relaxing cruise. You will explore stunning Kvarner Bay and its islands as well as the beautiful city of Zadar. Spend your mornings admiring the spectacular scenery, enjoying swimming in crystal clear Adriatic sea and your afternoons and evenings exploring old historical towns or indulging in late nights in some of these beautiful port towns. Embark in Opatija at the foot of Učka mountain. Built at the turn of the 20th century, Opatija has been a popular destination for tourists for 100 years. Well-maintained public gardens, the illuminated 12-km-long coastal promenade, cafes, villas, hotels and plenty of opportunities for shopping and excursions make Opatija an ideal destination. We will also spend a night in beautiful Mali Lošinj. Due to excellent climate Lošinj was proclaimed as a climatic health resort by a decree of the Ministry of Health of the Austrian-Hungarian Monarchy in 1892. Soon it became a popular holiday destination of the Austrian-Hungarian aristocracy, who built numerous villas and summer residences on the island. Lošinj archipelago is famous for dolphins, which you will probably see during your cruise.

After breakfast, cruise towards Rab, known as the "island of love". On arrival, join a guided tour (included on Premium Superior & Premium) to see imposing stone walls and Romanesque church towers, churches, palaces, stone streets and ancient facades. If weather permits, walk up to the Kamenjak hill and watch the magnificent sunset. Overnight in Rab.

Day 3 - RAB ISLAND – ZADAR (B, L)

Morning cruise from Rab towards Zadar, travelling by Pag island with its unusual moon-like landscape. Swim stop on the tiny Maun Island. Upon arrival to Zadar, join the optional guided tour (included on Premium Superior & Premium). Once the metropolis of Dalmatia, today, Zadar is the centre of the region. The rich cultural heritage is visible at every turn: the Roman Forum dating to the 1st century AD, the church of St. Donatus dating to the 9th century AD - the most famous Medieval basilica and symbol of the city, the imposing and mighty city walls, numerous palaces and villas of former noble families. Great restaurants line part of the waterfront and the centre of town. Famous, contemporary creations are the Zadar Sea Organ, one of a kind in the world (listen to the sound) and "The Greeting to the Sun" light installation. Overnight in Zadar.
