PAPUA'S WHALE SHARKS AND BIRDS OF PARADISE

Snorkelling and Sailing Adventures in Indonesia, See Coral Reefs, Birdwatch, Search for Rare Birds and Animals, Learn About Cultures and History, Explore or Just Relax with a Cool Drink and a Good Book. Generations of seafarers before you have sailed the trade winds of Indonesia, in quest of exotic cultures and their goods, charting the famous spice routes. SeaTrek's four sailing collections follow those same historic trade winds taking you on journeys of discovery to many of the still remote areas of the Indonesian archipelago. Come explore with us aboard authentic wooden sailing ships much like the ones used by those legendary adventurers.

ITINERARY

DAY 1

\- You will be met at the airport or your hotel by your SeaTrek tour leaders and taken directly to the boat. Once settled into your cabin, we will weigh anchor and head out on our adventure. \- We will have lunch as we are under way and stop for your first snorkel and swim amongst the coral gardens in the afternoon. \- After sunset drinks we will sit down together for dinner and then meet the crew. It's an early start the next day, so an early night is recommended.

DAY 2

\- Before dawn we will be ferried to a local village, where local guides will take us on a trek through the jungle in the hope of finding the beautiful Wilson's Bird of Paradise perform its mating dance ritual upon the forest floor. On our way back to the boat we will be accompanied by the sounds of the jungle coming to life and we will be sure to spot a number of bird species along the way. \- After a well-earned late breakfast, we will spend the remainder of the day enjoying snorkelling, swimming and exploring the reefs and islands of the local area by kayak and paddle board.

DAY 3

\- Today is our second and final early morning wake up as we head off to see the Red Bird of Paradise, this time high in the canopy of the rainforest.

Extremely extroverted show offs, these birds dance and squawk their way around the trees trying to impress the female of the species, making for an incredible show. \- After returning to the ship and breakfast it will be time for some snorkeling on some of Raja Ampat's most spectacular reefs in the Dampier Strait. If the tides are in our favour we might get to see some of the area's larger species of marine life, which are attracted by the currents in these nutrient rich waters. \- We will end the day at a local inhabited island, where the village kids will show us around their beautiful village and then perform some local folk dances for us. \- We will weigh anchor before dinner, enjoying sunset cocktails on the back deck as we cruise south.

DAY 4

\- Today we wake up in southern Raja Ampat at the island of Misool, a picturesque archipelago of forest-covered limestone islets just teeming with coral reefs that has adventures aplenty on offer. \- We will swim through a massive and ancient sea cave, adorned with giant stalagmites and stalactites. We will then journey to a small, secret lake inhabited by thousands of stingless jellyfish, where we will snorkel among them. \- After lunch we will explore the area by ship's tenders, going in and out of the many bays and inlets looking for birds, and also stopping to see some prehistoric cave paintings said to be between 3,000 and 5,000 years old.

DAY 5

\- Today we will have a relaxing day of snorkelling on the reefs, exploring the inlets and local areas by paddle board and kayak, or swimming and sunbathing from the white sand beaches of this beautiful piece of paradise. \- After a full day of fun and relaxation we will head east for our overnight cruise to our next destination.

DAY 6

\- We will wake up off a small group of picture-perfect islands, where we will spend the morning exploring the beaches and crystal clear waters and vibrant reefs with our snorkels. \- We will then cruise in the direction of the mainland of Papua, where we will visit a local village and meeting the residents, who will welcome us into their village, sharing with us their way of life which consists of fishing and growing nutmeg. \- Back on the boat we will continue southeast overnight, enjoying dinner and sunset drinks along the way.

DAY 7

\- We wake up off the coast of Papua to a most serene and primal scene of a jungle waterfall where a roaring river surrounded by virgin rainforest pours into the sea. \- Here we will swim and play in the waterfall and the sea as we take

in this most tranquil tropical scenery. We will also have the chance to snorkel through the corals on a nearby reef. \- Later in the day we will continue our journey east, stopping off late afternoon for another swim and snorkel on our way to see the whale sharks of Triton Bay.

DAY 8

\- Triton Bay is a place of unsurpassed natural splendour, where time and tides have sliced the limestone landscape into tall cliffs and numerous islands separated by lagoons and narrow channels. It is also home to fishermen who collect baitfish and keep them in nets attached to specially built platforms, also known as 'bagans'. It is these and their fish that attract whale sharks. \- We will head out in the tenders to see if the sharks are around, and if we are lucky, we will spend a couple of hours in the water with these magnificent creatures. \- After lunch we will explore the bays and limestone outcrops by tender, kayak, and paddle board as well as swim and snorkel from the beautiful white-sand beaches. \- This evening we will have a beach BBQ with the crew, with singing and dancing late into the night.

DAY 9

\- We will spend the morning cruising through the undisturbed coves, caves, and lagoons before heading north through the Namatote Passage, where there is an impressive collection of ancient cave paintings high up on the cliffs. \- The afternoon will be filled with more snorkelling, swimming, kayaking and paddling as we relax amidst the beauty of the surrounding jungle covered islands. \- We will spend our final evening on the ship resting at anchor and enjoying a farewell dinner with our captain and crew.

DAY 10

\- In the morning, we will find ourselves at anchor in the harbour of Kaimana, and after an early breakfast our tenders will take you ashore for your transfer to the airport for your onward travel.

YOUR SHIP: KATHARINA

YOUR SHIP: Katharina

VESSEL TYPE: Yacht

LENGTH:

PASSENGER CAPACITY:

BUILT/REFURBISHED:

Length overall: 38 metres

Passanger Capacity: 14

Led by Captain Ferdi and operated by a crew of 12, the 38-metre Katharina sits low in the water, making her a most beautiful looking boat. Built in 1995 in Kalimantan, her slim hull was originally planned for use as a commercial freighter before she caught our eye with her simple lines and sleek structure. After her 2014 interior refit, her transformation is a conservation exercise back to authenticity of a mighty seafaring tradition. Not only is the Katharina very elegant on the water, she is also fast becoming a classic yacht, as very few of these original designs remain. Accommodating just 12 guests in six cabins, with a salon & bar, two sun decks, and an outdoor dining area, she offers a more intimate experience.
