### ITINERARY

#### DAY 1, Philipsburg/St Maarten

Departure 07.00 pm Dutch in the south, French in the north - on St. Maarten you will find an unusual piece of Europe in the middle of the Caribbean. Because of the natural salt deposits, the Dutch West India Company once claimed the island for itself and - according to legend - divided the island up in 1648 after a drinking competition with the French. In the colorful port city of Philipsburg, a day at the beach can be perfectly combined with a stroll through town: From the fine sandy Great Bay Beach it is only a stone's throw to the Boardwalk with its restaurants and to the boutiques of the small city center.

## DAY 2, North Sound/Virgin Gorda

Arrival 01.00 pm, Departure 11.00 pm Explorers and privateers once used to cross swords in the Sir Francis Drake Channel. Nowadays the sea around the British Virgin Islands is one of the world's best sailing areas. Heavenly bays, gorgeous beaches, idyllic anchoring spots, smart yacht clubs and charming little beach bars make the island a popular haunt for sailors. On Virgin Gorda, once called "The Fat Virgin" by Columbus due to its shape, you can find "The Baths", one of nature's most beautiful oddities, in the National Park. Ground to a sphere and polished to a shine, the huge granite formations on the beach and in the water create a multi-branched labyrinth of giant boulders.

## DAY 3, Norman Island/British Virgin Islands

Arrival 09.00 am, Departure 05.00 pm It almost seems as if no other career choice than pirate was possible in the 17th and 18th centuries in the British Virgin Islands. Jost van Dyke, Blackbeard, Francis Drake - they all went on the prowl in the Dream Territory during the golden age of privateering. Norman Island was named after the pirate captain Norman, who allegedly hid his treasures here, and inspired Robert Louis Stevenson to write his adventure novel „Treasure Island.“ If you dig a little in the fine sand on the uninhabited private island today, you probably won't discover any gold coins, but you will discover an equally valuable treasure: deep, Caribbean relaxation.

## DAY 4, Day beneath full sails

Climbing the rigging, untying ropes, setting sails - today is all about sailing. Time to lean back and relax in the deck chair and watch the passionate crew hoisting the sails by hand.

## DAY 5, Terre-de-Haut/Îles des Saintes

Arrival 08.00 am, Departure 05.00 pm Îles des Saintes is a small archipelago which was disputed for a long time until it finally became French in 1816. In the charming main town of Terre-de-Haut, you can take a delightful stroll along the waterside promenade. Boutiques, cafes, bars and restaurants invite you to browse and spend some time here. The 'savoir vivre' takes place against a backdrop lit up in all the pastel shades of the Caribbean. Fort Napoleon is set

high above the bay and your climb up to it is rewarded by a spectacular panoramic view. On the other side of the island, the Plage de Pompierre invites you to enjoy a dip in the sea and sunbathe on the beach.

## DAY 6, Cabrits/Dominica

Arrival 08.00 am, Departure 01.30 pm Dominica, nicknamed the "Nature Isle" of the Caribbean, is one of the most untouched of the Windward Islands. It boasts some of the highest mountains in the Lesser Antilles, as well as many beautiful national parks. Its interior is characterised by thick virgin forest, where rivers plunge into the depths and tiny streams wind through the jungle. Two extinct volcanoes are at the center of the Cabrits National Park and, recaptured by nature, the former strategically important Fort Stanley appears like a picturesque backdrop in the heart of the jungle.

## DAY 7, Gustavia/St Barthélemy

Arrival 01.30 pm, Departure 11.00 pm St Barthelemy, affectionately known as St Barths by most, had already had many "owners" before the Lesser Antilles were acquired by France in 1877. When the first estate was acquired by the banker David Rockefeller in 1957, the island's future was finally sealed. It became a refuge for the international jet set and an elegant holiday paradise for many Hollywood stars. For over 40 years, St Barths has cultivated a luxurious lifestyle with a Caribbean laissez-faire approach. You can stroll through the charming main town of Gustavia, whose beautifully restored houses and colonial facades look out over the sea with its elegant superyachts, browse in the shops for precious items, or enjoy a sundowner in the picturesque harbor surrounded by clusters of high class bars and restaurants.

## DAY 8, Philipsburg/St Maarten

Arrival 08.00 am Dutch in the south, French in the north - on St. Maarten you will find an unusual piece of Europe in the middle of the Caribbean. Because of the natural salt deposits, the Dutch West India Company once claimed the island for itself and - according to legend - divided the island up in 1648 after a drinking competition with the French.
