ITINERARY

Day 1 Naples, Italy

Departure 11:00 pm

Naples rises from the sea around a huge bay and extends up into the hills like an amphitheatre. From the Castello Sant' Elmo on the Vomero you can enjoy a fantastic view over the sea of houses, the port and the Gulf. The pretty center of this chaotic Campanian city is the old town, designated a UNESCO World Heritage Site, with its huge fortresses, dignified churches and monasteries, splendid squares and palaces, and maze of winding streets.

Day 2 Capri, Italy

Arrival 8:00 am, Departure 1:30 pm

Even at the time of the Roman Empire, Capri was a particularly precious natural gem and became the summer residence of the Emperor Tiberius. Artists and hedonists, aristocrats and the moneyed classes discovered the island for themselves in the 19th century. This stunningly beautiful rocky island in the Gulf of Naples is famous for its numerous grottos, the most well known being the Blue Grotto. You can expect a combination of pleasure and spectacle when you experience the colorful lifestyle and goings-on in the Piazzetta right in the center of Capri.

Day 3 Day under full sails

Climbing the rigging, untying ropes, setting sails - today is all about sailing. Time to lean back and relax in the deck chair and watch the passionate crew hoisting the sails by hand.

Day 4 Trapani, Sicily

Arrival 8:00 am, Departure 7:00 pm

The old town and port of Trapani lies on a picturesque crescent-shaped headland at the foot of Monte Erice. You will discover many little treasures browsing through the beautiful town center. For the last 1,000 years, fine black and red coral jewellery has been made here. The mountain town of Erice is a real architectural gem. Not far from Trapani, this idyllic little town is tucked away in a picturesque hilltop setting overlooking the countryside and the sea. Protected defiantly by a wall, the town retains its splendid medieval atmosphere.

Day 5 Palermo/Sicily

Arrival 8:00 am, Departure 11:00 pm

The character of Palermo, Sicily's vibrant capital, was mainly forged by the

Arabs, Swabian dynasty and Normans. Noble palaces line the magnificent streets, cheerful-looking Art Nouveau houses stand next to Baroque buildings and a little further on you are faced with pure Gothic facades. The medieval quarter towers above the huge Palazzo Reale with its "Capella Palatina", a masterpiece in the Arab-Byzantine-Norman style. The small mountain town of Monreale gives you a breathtaking view over the town and the bay, as well as the 12th century cathedral whose interior combines Romanesque, Byzantine and Arab art with rich gold mosaics.

Day 6 Day under full sails

Fitness, massages or enjoy the sun and the sea with a good book in the deck chair, and think back on your eventful days.

Day 7 Taormina (Naxos), Sicily

Arrival 6:00 am, Departure 11:00 pm

Taormina is perched on a rock with a majestic view over the sea. In the 19th century, this small town had already developed into a dream destination for well-heeled travellers and artists. The town's fascination lies in its elegance, the many ancient buildings, the stunningly beautiful coastline, the mild climate, and the view over the silhouette of Etna. Europe's largest volcano is over 9,843 feet high, has four summit craters and around 400 subsidiary craters, and is covered with snow almost all year round. In ancient times it was considered the seat of the gods, but nowadays large sections of it are a nature reserve.

Day 8 Syracuse, Sicily

Arrival 8:00 am, Departure 1:30 pm

The municipal area of Syracuse boasts relics from cultural history going back more than three millennia. In ancient times, the city was the most powerful in the known world and was famed for its splendour. The island of Ortigia, now a UNESCO World Heritage Site, was where Syracuse began its rise as an ancient city. The huge cathedral is at the heart of the old town, magnificent palaces line the Piazza and wide promenades invite you to take a stroll. The archaeological park brings Greek and Roman history back to life. Yet Syracuse

exudes southern Italian charm, with washing drying outside the windows.

Day 9 Valletta, Malta

Arrival 8:00 am

This strategically important location has always attracted foreign conquerors. More than 7,000 years ago, a civilisation existed here, leaving behind enormous temple complexes. Just like proud Valletta, these are now UNESCO World Heritage Sites. Jean Parisot de la Valette, Grand Master of the Order of St John, founded a modern fortified city on a rock in 1566, between the two splendid natural ports of Marsamxett and Grand harbor. Long rows of facades made from golden-yellow blocks of chalk stretch along the straight streets. Splendid Renaissance and Baroque buildings are evidence of riches and power, such as the Palace of the Grand Master and the impressive St John's Co-Cathedral.
