

SAILING THE ST. LAWRENCE SEAWAY AND CANADIAN MARITIMES - EASTERN CANADA CRUISE

Discover the natural beauty and diverse cultures of Eastern Canada on an adventure along the picturesque St. Lawrence River. Stroll through 400 years of history in Old Quebec--a UNESCO World Heritage Site--and St-Pierre, the only remaining French territory in North America. Venture into the rugged wildernesses of the Saguenay River Fjord and Île Bonaventure, a National Park of Canada in search of rare wildlife. And, at every turn, you'll be immersed in the region's fascinating history, stemming from French, British, and Indigenous roots.

ITINERARY

Day 1 St. John's, Newfoundland / Embark Ship

This afternoon, arrive in St. John's, the picturesque capital city of Newfoundland and Labrador and transfer to the National Geographic Explorer.

Meals Included: Dinner

Day 2 St-Pierre, France

The first landfall is in St-Pierre, France's oldest remaining overseas territory. Get to know this picturesque French fishing enclave by visiting a local island, where you will learn about its historic cod fisheries and explore the fascinating

L'Arche Museum, dedicated to preserving the history of this remote territory.

Meals Included: Breakfast, Lunch, Dinner

Day 3 At Sea

Sail across the Gulf of St. Lawrence, known for its abundant plant and animal life both under water and on shore. Find a place on the observation deck to watch for the wildlife that calls this region home—including seven species of whales, such as the endangered North Atlantic right whale. Enjoy the day on board to edit photos, attend a presentation about the region with one of the naturalists or schedule a massage with the wellness specialist.

Meals Included: Breakfast, Lunch, Dinner

Days 4-5 Côte-Nord, Québec, Canada

Bordering the Labrador Sea and the Gulf of St. Lawrence, the Cote-Nord region of Quebec offers breathtaking, wild landscapes and geologic diversity, abundant marine life, maritime history and a culture influenced by its nine Indigenous communities. Spend two days exploring this stunning marine environment by Zodiac, kayak, and on foot as you learn about the area alongside local experts.

Meals Included: Breakfast, Lunch, Dinner

Day 6 Québec City

Arrive in the provincial capital, Quebec City. The only remaining walled city north of Mexico, Quebec's rich history comes to life amid the ramparts and ancient streets of its old town, a UNESCO World Heritage site. Experience the city's European charm while strolling the lanes below the stately Citadel, keeping an eye out for the iconic realist murals that showcase Quebec's history. As you explore, get a taste for the city's renowned culinary scene, from its First Nations recipes and traditional French and English flavors to maple syrup-infused sweets.

Meals Included: Breakfast, Lunch, Dinner

Days 7-8 Saguenay River and Tadoussac / At Sea

Originating in Lake Saint-Jean in the Quebecois highlands and draining into the St. Lawrence Seaway, the Saguenay River is a haven for marine life, most notably the beluga whale. Harbor seals, porpoises, minke, blue, and fin whales can also be seen at different times throughout the year in these nutrient-rich waters. The river's fjord, carved by glaciers over 10,000 years ago, plunges more than 900 feet below the surface, and its rising peaks and hanging cliffs soar more than 1,500 feet into the air. The landscape provides an astonishing backdrop as you sail and explore where two iconic rivers meet.

Enjoy a day at sea by attending an engaging presentation by naturalists and experts, relaxing with a book in the lounge, or experiencing a wellness treatment at the spa. Keep an eye out for wildlife as the ship travels towards Îles de la Madeleine.

Meals Included: Breakfast, Lunch, Dinner

Day 9 Îles de la Madeleine

A cluster of wispy islands isolated in the Gulf of St. Lawrence, the Îles de la Madeleine are home to miles of golden beaches and dunes, grassy hills and dazzling red sandstone cliffs. Local experts will guide you across this landscape of caves and sea arches, stopping along the way in colorful fishing villages as you learn about Acadian culture.

Meals Included: Breakfast, Lunch, Dinner

Day 10 At Sea

Retrace a path back through the Gulf of St. Lawrence, passing between Nova Scotia and Newfoundland. Spend the day on board making final edits to your photos with the certified photography instructor or head to the bridge to learn about the ship's navigation from the crew.

YOUR SHIP: NATIONAL GEOGRAPHIC EXPLORER

YOUR SHIP:	National Geographic Explorer
VESSEL TYPE:	Luxury Expedition
LENGTH:	108 meters
PASSENGER CAPACITY:	148 (single & twin cabins)
BUILT/REFURBISHED:	1982 / 2008

Originally constructed for Norway's renowned Hurtigruten Coastal Express, National Geographic Explorer was a natural fit for the Lindblad Expeditions fleet thanks to her exceptional manoeuvrability, ice-strengthened hull, and purpose-built expedition design. Now fully stabilised and refitted with over five decades of exploration expertise, she is ideally suited for navigating the most remote corners of the globe—from the rugged coasts of Europe to the icy passages of the polar regions. With vast windows throughout and a Scandinavian-inspired interior, the ship invites guests to stay connected with their environment at every turn.

Aboard National Geographic Explorer, every feature is tailored to enhance discovery. From the open Bridge and observation deck to the Chart Room and mudroom for expedition gear, the ship is an authentic platform for adventure. Her recently updated suites offer comfort and understated elegance, while public spaces such as the library, Global Gallery, and multiple dining areas encourage camaraderie and relaxation. Carrying expert guides, state-of-the-art tools, and a fleet of Zodiacs and kayaks, this 148-guest ship brings guests closer to nature with all the style and substance expected of a flagship expedition vessel.
