SOUTHEAST GREENLAND: EXPLORING AT THE EDGE OF THE ICE CAP EXPEDITION CRUISE

Discover the true thrill of exploration as you navigate Southeast Greenland's rugged coast, sailing through uncharted waters fed by the legendary ice cap. Each day brings the prospect of unforgettable experiences as your veteran captain and expedition team chart a course for remote fjords, glaciers, mountains, and trails that few have yet to explore. Zodiac cruise and kayak among spectacular icebergs; hike into the wild backcountry to spot polar bears and other Arctic wildlife; and uncover the secrets of ancient Greenlandic cultures at fascinating archaeological sites nestled amid this untamed landscape.

ITINERARY

Day 1 Reykjavík, Iceland / Embark Ship

Arrive in Reykjavik, the world's northernmost capital, which lies just below the Arctic Circle. Transfer from the airport and spend the day exploring the city's sights, sounds, and tastes on your own. Check in with the hospitality desk this afternoon, before embarking the ship.

Meals Included: Dinner

Days 2-3 Crossing the Denmark Strait / At Sea

Sail across the Denmark Strait, connecting the Arctic and Atlantic Ocean. The Strait is home to the world's largest waterfall, caused by powerful currents and glaciers. Listen to talks from experts, relax with a book in the lounge or on the observation deck, and keep an eye out for whales as the ship travels across

the continental shelf.

Meals Included: Breakfast, Lunch, Dinner

Days 4-8 Exploring King Frederick VI Land, Greenland

Spend the days exploring the coastal wilds of Southeast Greenland, a dynamic region known for its striking landscapes of towering peaks and active glaciers which connect to the Greenlandic Ice Sheet. The East Greenlandic current also spends much of the summer pushing icebergs down the coast from the North Pole. Experience a true sense of adventure as you discover unknown, wild areas aboard purpose-built ships designed to navigate even the most extreme conditions.

Take in stunning views from the Bridge of unexplored fjords like Skjoldungen, Lindenow, and Timmiarmiut; Zodiac cruise along glaciers that continue to push out from the Ice Sheet; and hike into the backcountry with polar bear guards, keeping an eye out for the newly established resident population in this region. At archaeological sites along King Frederick VI Coast, gain insight into the Paleo-Inuit and Thule peoples who researchers believe inhabited the area between 2500-800 BC.

Meals Included: Breakfast, Lunch, Dinner

Day 9 At Sea

Spend a relaxing day at sea en route back to Iceland as you take advantage of the onboard amenities at your own pace. Join the ship's officers on the Bridge and keep a watchful eye for migrating whales, attend an engaging presentation by naturalists and experts, or enjoy a wellness treatment at the spa.

Meals Included: Breakfast, Lunch, Dinner

Day 10 Reykjavík, Iceland / Disembark Ship

Disembark in Reykjavik and transfer to the airport for flights home.

Meals Included: Breakfast

YOUR SHIP: NATIONAL GEOGRAPHIC ENDURANCE

| | |
|----------------------------|--------------------------------------|
| YOUR SHIP: | National Geographic Endurance |
| VESSEL TYPE: | Expedition Ship |
| LENGTH: | 124 m |
| PASSENGER CAPACITY: | 126 |
| BUILT/REFURBISHED: | 2020 |

National Geographic Endurance is a state-of-the-art expedition vessel purpose-built for year-round polar navigation. Named in honour of Sir Ernest Shackleton's legendary Endurance expedition, she is the first polar ship in Lindblad's history designed from the keel up for exploration. With an ice-class rating of PC5 (Category A) and a fully stabilised hull, she grants access to remote and often uncharted corners of the Arctic and Antarctica in exceptional comfort and safety.

Her revolutionary X-Bow®--a striking forward-leaning design--enables superior wave-cutting performance, ensuring a smoother, quieter ride and minimising spray on deck for better wildlife observation. On board, guests enjoy thoughtfully designed public spaces including a wraparound observation lounge, library, and an expedition base for gear and briefings. Dining is offered across three flexible venues, all serving sustainable, locally inspired cuisine. With a full suite of tools for exploration and a design deeply rooted in expedition heritage, Endurance is the ultimate platform for discovering Earth's most remote regions.
