Mary's Island in the middle of the large lake, the church and the monastery. Walk or hire a bike to explore these stunning lakes. Overnight in the port of Pola or Pomena.

## Day 3 - MLJET - DUBROVNIK (B, L)

After breakfast, depart towards Dubrovnik, the most famous town in Croatia and, for many, the highlight of this cruise. The Irish writer George Bernard Shaw called Dubrovnik "heaven on earth". Unbelievable views of the surroundings along the way, enjoy and admire the beautiful stretch of the coast. Upon arrival, explore on your own or join a guided city tour (included on Premium and Premium Superior), followed by an optional cable car ride up to the Sr mountain for spectacular views of the old town. Do not miss Stradun - both a street and a square in the Old Town - and walk at least part of the 1.940 m long city walls that have protected Dubrovnik during earthquakes and attacks! Overnight in the port of this magical town.

## Day 4: Dubrovnik - Sipan or Trstenik

The morning is free so you have plenty of time to explore Dubrovnik. Leave this magnificent city around midday to continue your cruise to Sipan Island or the small town of Trstenik on the Peljesac Peninsula, for a swim in the afternoon and to spend the night. There will be an optional visit to a local winery.

## Day 5 - ŠIPAN/TRSTENIK - KOR ULA (B,L)

After breakfast, depart towards the island of Kor ula, one of the famous islands in the Dubrovnik region. It's the birthplace of the famous explorer Marco Polo. Lunch on board in a bay near the Kor ula town. The encircling town walls and bastions date back to the 13th Century and there are some lovely churches and museums. Overnight in one of the ports of Kor ula, depending on availability (main port in the town center/ port of Domin e / ferry port (3 km away),

## Day 6 - KOR ULA - HVAR (B, L)

Early departure towards the Paklinski Islands near Hvar (the longest island in the Adriatic) for lunch and a swimming stop. Later, there is an optional

afternoon sightseeing of Hvar, which resembles a film set. The Renaissance cathedral has its original tower and the oldest community theatre in Europe, founded in 1612. For those in good shape, Hvar offers an additional challenge - on the hill above the town, the fortress Španjola has dominated for centuries, strong and stable. Discover history once again, this time from a new dimension! Restless individuals always looking for fun will also find their empire here - numerous restaurants and bars open late into the night. Don't forget to buy some island lavender from local stalls. Overnight in Hvar.

## Day 7 - HVAR (BOL) - SPLIT (B, L)

The next stop is the island of Bra . Bol is a typical fishermen's village but also a popular tourist spot. From here, visit the most famous (and most photographed) beach in Dalmatia, Zlatni Rat - renowned for its ever-changing shape, a shingle bar that moves according to the wind. Enjoy a walk through the pine forest from Bol to the Golden Horn beach or ride the tourist train (with an additional fee). After lunch, navigation towards Split - the approach to the Split Riviera is wonderful and offers the best views from onboard. Upon early afternoon arrival, join the optional guided tour of Split, a monumental city which, together with the famous Roman Diocletian's Palace, is under UNESCO protection. Split is full of bistros and restaurants serving local specialties, as well as cool bars.

## Saturday - SPLIT (B)

An early breakfast before the final goodbyes to the new friends and crew and check-out.

Legend: B - breakfast, L - lunch, CD - Captain's dinner
