## SPITSBERGEN HIGHLIGHTS - JOURNEY INTO THE ARCTIC WILDERNESS

On this extraordinary journey, you will pack all the excitement of an epic Arctic cruise into just seven days, experience incredible Arctic wilderness you never dreamt possible. Though this rocky island is covered in mountains and glaciers, the towering cliffs and fjords play host to a thriving and diverse ecosystem. Exploring as much of the area as possible, you will enjoy maximum opportunities to spot, among other wildlife, the walrus with its long tusks and distinctive whiskers, the resilient and Arctic birds in all their varied majesty, and that most iconic of Arctic creatures, the polar bear.

Your Arctic adventure begins in Helsinki, renowned for its extraordinary architecture and intriguing mix of eastern and western influences. If you arrive early, explore the many museums, galleries and restaurants, relax at a Finnish sauna or wander the vibrant Design District before retiring at your included hotel.

## Day 2 Fly to Longyearbyen, Svalbard and Embark

This morning, the group will transfer to the airport and board our private charter flight to Longyearbyen, Spitsbergen's largest settlement.

## Days 3 to 6 Exploring Spitsbergen

You'll sail around the shores of this magical island, constantly searching for polar bears and other natural wonders. Covering western Spitsbergen, your expedition will afford ample opportunities to view immense glaciers, deep fjords, soaring mountains and unique flora and fauna.

Sailing north into Krossfjorden, have your camera handy, ready to capture some of the best glacier calving in Spitsbergen. Deep in the fjord, the highly active Lilliehook Glacier awaits. Listen in awe to the growling as big chunks break off into the icy waters below. A Zodiac excursion to nearby Ny-London, an abandoned mining settlement, provides an ideal place for a guided walk. Encounters with wildlife, such as the endemic Svalbard reindeer, might be possible here.

After cruising overnight, wake up to the stunning sight of the magnificent Monaco Glacier, another prolific iceberg producing glacier. To make this even more thrilling, help your Expedition Team to scan the shorelines and ice edge for marine mammals. Possible landing sites include Texas Bar, Worsleyneset and Alicehamna.

At Smeerenburg you can see the remains of an abandoned settlement that was established by Dutch whalers nearly 400 years ago. Here, at what was once one of Europe's most northerly outposts, you'll have time to explore

ashore and learn about Spitsbergen's whaling history. Afterwards, cruising to Magdalenefjorden rewards you with panoramic vistas of snow-capped mountains and massive glaciers reflected in the crystal-clear waters.

We hope to round out the day in Alkhornet, taking in the towering cliffs teeming with nesting seabirds, such as fulmars and Brunnich's guillemots (thick-billed murre). Encounters with reindeer are possible here too. Later, in the evening, swap stories with your shipmates and crew one last time, at the captain's farewell dinner.

## Day 7 Disembark in Longyearbyen and Fly to Helsinki

The time to say goodbye has come. Your adventure ends as it began, in the frontier-style settlement of Longyearbyen. From here, we'll transfer you to the airport for your return group charter flight to Helsinki, included in the transfer package.

#### Sea Kayaking

Positioning yourself in the seat of a kayak is one of the most intimate ways travelers can connect with the polar regions—at water level, up close, where you can touch and feel every polar sensation imaginable. The Sea Kayak Program enables a small group of like-minded individuals to forge bonds as they explore fjords, glacial faces or mazes of sea ice.
