SPLIT TO DUBROVNIK VIA LASTAVO

This is a marvellous one way trip from Split and ending in Dubrovnik. Imagine yourself sat on the sun deck enjoying the view of the Croatia Islands, swimming every day in the clear blue sea in secluded bays.

We usually arrive at our destination for the day sometime early to mid-afternoon, allowing plenty of time for exploring ashore, and in the evenings you are free to sample one of the many restaurants and cafes that line the beautiful ports where we spend our evenings.

This itinerary starts in Split where you will have an opportunity to visit the historic Emperor Diocletian's Palace. We will then cruise to Vis where we hope to visit the Blue Cave at nearby Bisevo, (weather permitting, which it usually does) before visiting wonderful Hvar.

Calling at the less visited beautiful island of Lastovo where time stops before heading onto Korcula, the birth place of Marco Polo. The cruise continues with a stop at the wonderful national park of Mljet, where you can swim, hike, canoe or take a boat trip to St Mary's Monastery, set on an island on the lake on the island!

Finally, we cruise to the Elephati Islands and finish with a tour of Dubrovnik.

Dubrovnik.
