SVALBARD EXPLORER - BEST OF HIGH ARCTIC NORWAY

This fascinating expedition provides a taste of everything Spitsbergen has to offer, starting with its largest settlement, Longyearbyen. The largest island of the Svalbard archipelago is known as the "wildlife capital of the Arctic," and on this stirring voyage, we show you why. A key focus of this 10-day expedition will be to seek out the abundant wildlife that resides here, including walrus, reindeer, and that most iconic of Arctic denizens, the polar bear, in their natural habitat, while marveling at the surreal experience of continuous daylight. Explore the unique Arctic landscape, hike the vast and colorful tundra, learn about the history and geology of this remote wilderness, and join us on a gripping excursion to a faraway, unforgettable land. This exciting introductory journey to the remote Norwegian island, renowned for its stunning scenery and abundant, varied wildlife, is now available on two ships, each providing a distinct polar experience. Ultramarine, our new, game-changing polar vessel, can take you to remote destinations most other ships can't reach. Aboard Ultramarine, explore Spitsbergen in brand new ways--taking advantage of the 20 quick-launching Zodiacs, and more outdoor wildlife viewing spaces than other expedition ships its size--to create the Arctic experience perfect for you.

ITINERARY

Day 1 Arrive in Helsinki, Finland

Your Arctic adventure begins in Helsinki, renowned for its extraordinary architecture and intriguing mix of eastern and western influences. If you arrive early, explore the many museums, galleries and restaurants, relax at a Finnish sauna or wander the vibrant Design District before retiring at your included hotel.

Day 2 Fly to Longyearbyen, Svalbard and Embark

This morning, the group will transfer to the airport and board our private charter flight to Longyearbyen, Spitsbergen's largest settlement. As your ship sets sail, enjoy your first view of the island's rugged, glacier-topped mountains rising majestically from frigid waters.

Days 3 to 9 Exploring Spitsbergen

You'll cruise around this magical island on a constant search for wildlife. Your expedition will cover western Spitsbergen as well as stunning fjords to the north. From polar flora to immense glaciers, the natural landscape here is just as varied as the wildlife. Each expedition presents new opportunities and different weather and ice, so there is no fixed itinerary; however, some of the places we may visit include the 14th of July Glacier, Smeerenburg, Alkefjellet and the Hinlopen Strait. The destinations visited will be selected for optimum wildlife viewing with an appreciation of the history and geology of Spitsbergen. The island offers multiple opportunities for wildlife photography. Since most of Svalbard's Arctic ecosystem is uninhabited and well-protected, this remote archipelago is one of the world's best places to spot polar bears against stunning natural backdrops of mountains and ice. The towering cliffs of Alkefjellet provide homes to thousands of Brünnich's guillemots (thick-billed murre). Coming across a walrus haul-out is a moment you won't soon forget. Get a chance to witness the intimate gatherings of giant pinnipeds as they haul out together on small coastal strips. If you're itching to experience a more intimate view from the water, you can book the sea kayaking or paddling excursion adventure options. In Spitsbergen, there is no shortage of natural beauty. The tundra can be surprisingly colorful in summer, with wildflowers bursting for a taste of sunshine. Each day, you'll see something interesting, whether it is an ever-changing gallery of spectacular icebergs, a polar bear resting between hunts, or an abandoned historical site from centuries ago.

Day 10 Disembark in Longyearbyen and Fly to Helsinki

The time to say goodbye to your Expedition Team and shipmates has come. Your adventure ends as it began, in the historic frontier-style settlement of Longyearbyen. From here, we'll transfer you to the airport for your return group charter flight to Helsinki, included in the transfer package.
