WHALE SHARKS, CORALS & DRAGONS - INDONESIA ADVENTURE FROM KOMODO TO KOMODO

Do you want to feel your senses come alive as you walk with the ancient Komodo dragons, the world's largest lizard? Have you ever imagined the feeling of soaring weightlessly over a school of majestic giant manta rays? Would you like to experience the beauty of snorkelling above kaleidoscopic, colourful and diverse coral reefs? How about having that butterflies-in-your-stomach feeling while swimming with whale sharks, the largest but most gentle animals in the ocean? Or perhaps to just sit quietly and cradle your morning coffee as you breathe in the cool early morning ocean air while watching the sunrise over the stunning volcanic landscapes. If this sounds like you, then come fill your senses with nine days and eight nights of snorkelling, trekking, iconic wildlife encounters and tropical island exploration as we cruise between Bali and Komodo along Indonesia's Ring of Fire.

ITINERARY

DAY 1 - 2

-Taking the early morning flight from Bali, you will be met at the airport in Komodo by your tour leaders and be taken straight to your boat. And as you settle into your new home, we will head to our first snorkelling spot; a coral restoration project where you will see how the corals and fish populations have grown since they were first transplanted in 2014. -Go ashore on Komodo Island in search of the fearsome Komodo dragons, found only in the Komodo National Park. This is the world's largest lizard, growing up to a length of three metres and weighing up to approximately 70 kilograms. -Enjoy some magnificent snorkelling on some of the Komodo Park's best reefs. -Swim with manta rays as they feed on the current and circle the so-called cleaning stations, where small fish remove parasites from their skin. -Snorkel at a favourite hangout of sea turtles, where we will have a chance to swim with these gentle reptiles as they cruise along the shallow water of the reef.

DAY 3 - 4

-Wake up off the coast of a beautiful uninhabited island with a beach of pure white sand with some sparkles of powdered red coral, creating the effect of a "pink beach". We will spend the morning here, swimming, paddle boarding, and snorkelling on the beautiful coral reef that lies parallel to the beach. -Over lunch, we will cruise to a nearby active volcanic island where we will see a large wooden pinisi boat with the same pedigree and history of SeaTrek's very own ships being built on the beach. Walking around this small village, get a feel for their simple way of life, chat with the locals and maybe buy some handmade textiles as a souvenir. -Spend the day at a strange and mystical volcanic island with a sunken crater lake in its centre that was filled with saltwater when the nearby Mt Tambora catastrophically erupted in 1815. Here we will swim, kayak and paddleboard on the lake, and the more adventurous can go trekking around the crater rim. -Experience one of our famous SeaTrek beach BBQs under a night sky filled with millions of stars as you feast on the amazing local delicacies prepared by our chef, and all accompanied by live medical entertainment from our talented crew. -Another highlight of our visit to the island will be the sight of thousands of flying foxes that fly at dusk from the island to feed on the mainland.

DAY 5 - 6

-We will have chance for an early morning swim with whale sharks, the gentle giants of the sea. These massive but harmless animals have long congregated here in the bay but now, thanks to travellers like you, we have formed a mutually beneficial alliance with the local fisherman who have their traditional small floating fishing platforms in the bay that attract the sharks. We can't make any promises, as we don't have these wild animals on a leash, but fingers crossed we will see them. -Spend the day on a beach located on a small limestone island nearby, kayaking, swimming and snorkelling, and exploring the local karst formations. -We will cruise to Labuan Aji village on the island of Moyo to visit the village and walk to a scenic waterfall where we can bathe in the refreshing cool water.

DAY 7 - 8

-Enjoy a unique snorkelling experience where volcanic gasses escape in the form of bubbles from the sea floor among the corals, with the metallic black volcanic sand below being home to an abundance of very interesting

invertebrates. -Entering the Komodo National Park again we will go drift snorkelling in one of the best and healthiest coral reefs in the park, and for those who want to take the land-adventure to another level, you can do a sunset hike up to a gorgeous viewpoint overlooking the other islands in the park. -Visit Rinca Island, which is well known for its diverse wildlife, and maybe spot dragons, monkeys, wild buffaloes and deer as well. From the top of the hills, the scenery is breath taking.

DAY 9

-After breakfast on our last day, we will take you on a scenic drive towards Melo Village, where you will witness the traditional Caci dance performance. Local strongmen perform a ritual whip-fight between two rivals in which the players, each armed with a rattan shield and a whip, will try to hit each other while dancing to the rhythm of traditional acoustic instruments. -After lunch on the boat, we will say farewell to the crew and your fellow shipmates as you disembark and continue onto your next destination.

YOUR SHIP: KATHARINA

YOUR SHIP: Katharina

VESSEL TYPE: Yacht

LENGTH:

PASSENGER CAPACITY:

BUILT/REFURBISHED:

Length overall: 38 metres

Passanger Capacity: 14

Led by Captain Ferdi and operated by a crew of 12, the 38-metre Katharina sits low in the water, making her a most beautiful looking boat. Built in 1995 in Kalimantan, her slim hull was originally planned for use as a commercial freighter before she caught our eye with her simple lines and sleek structure. After her 2014 interior refit, her transformation is a conservation exercise back to authenticity of a mighty seafaring tradition. Not only is the Katharina very elegant on the water, she is also fast becoming a classic yacht, as very few of these original designs remain. Accommodating just 12 guests in six cabins, with a salon & bar, two sun decks, and an outdoor dining area, she offers a more intimate experience.
