

DISCOVERING CHANNEL ISLANDS NATIONAL PARK: A 5-DAY VOYAGE

Discover a hidden wild side of a well-known region. Just off the coast of California, one of the lesser-known U.S. national parks beckons, with dramatic sea cliffs, grassy headlands, and rocky islets. Dayboats can take you to individual islands to hike or camp, but our small ships provide a mobile base camp from which to actively explore the full natural splendor of this unique archipelago.

ITINERARY

DAY 1: Los Angeles, CA / Embark

Arrive in Los Angeles by early afternoon and transfer to the Crowne Plaza Los Angeles Harbor Hotel in San Pedro before embarking the ship. Enjoy a cocktail on the deck and meet the expedition team as you set sail in early evening.

Arrival Time: Arrive by 2:30 p.m. local time.

Arrival City: Los Angeles, CA

Meals Included: Dinner

DAY 2: Anacapa and Santa Cruz Islands, Channel Islands National Park

Wake to the ship at anchor off the rocky outcropping of East Anacapa Island. Join your wellness specialist on the sundeck for morning yoga and then enjoy the breakfast buffet. After breakfast, join naturalists aboard Zodiacs to go ashore on East Anacapa. The goal is the Anacapa Lighthouse, built in 1932, the last major light station to be built on the West Coast. Soak in amazing views from the island alongside a naturalist or choose to explore stunning Arch Rock via Zodiac. This afternoon, set sail for Santa Cruz Island for activities ashore as you search for endemic flora and fauna.

Meals Included: Breakfast, Lunch, Dinner

DAY 3: Santa Rosa Island, Channel Islands National Park

Start your morning with an optional stretch class before breakfast. Weather permitting, go kayaking, hike one of the many trails or simply relax ashore. With luck, you may catch a glimpse--or photo--of the elusive fox species endemic to the island. Join the naturalists for a more strenuous hike out to the base of the Torrey pines grove, which contains what is considered one of the world's rarest pines and is one of only two naturally occurring groves in the world. End the day with a sunset cocktail party.

Meals Included: Breakfast, Lunch, Dinner

DAY 4: Catalina Island

Spend the day discovering the colorful history and natural wonders of Catalina Island. Once a haunt of smugglers and gold diggers, the island was transformed into a resort destination by chewing gum tycoon William Wrigley, Jr. in the 1920s. Some 50 years later, William's heirs, Philip K. Wrigley and Dorothy Wrigley Offield, established the Catalina Island Conservancy, protecting nearly 90 percent of the island. Meet a conservancy member to learn about their work on the island before heading out on the trail for spectacular views of the coastline and the Catalina backcountry. With luck, catch a glimpse of the elusive bison herd that have resided on Catalina Island since 1924. Head for the water to kayak or stand-up paddleboard. Return to the ship for a farewell dinner and a last evening at sea under the stars.

Meals Included: Breakfast, Lunch, Dinner

DAY 5: Los Angeles / Disembark

Awake dockside in the bustling Port of Los Angeles (early risers can catch the action in one of the world's largest ports). Disembark after breakfast for transfers to the airport.

Departure Time: After 12:00 p.m. local time.

Departure City: Los Angeles, CA

Meals Included: Breakfast

YOUR SHIP: NATIONAL GEOGRAPHIC QUEST

YOUR SHIP:	National Geographic Quest
VESSEL TYPE:	Expedition Ship
LENGTH:	72 metres
PASSENGER CAPACITY:	100 guests (in 50 cabins)
BUILT/REFURBISHED:	2017

Designed with decades of expedition experience in the region, National Geographic Quest more than comfortably accommodates 100 guests in 50 cabins. Her twin expedition craft landing platform allow us to rapidly get on and off the ship to take advantage of wildlife sightings and to ensure we maximize our time off the ship exploring. Created with a shallow draft, Quest draws only nine feet of water allowing her to sail into places where much larger ships cannot go.

PUBLIC AREAS: Global gallery; fitness centre; LEXspa; lounge with full service bar and facilities for films and presentations; observation deck; mudroom with lockers for expedition gear, and a partially covered sundeck with chairs and tables. Our 'open bridge' provides guests an opportunity to meet our officers and captain and learn about navigation.

MEALS: Served in single seatings with unassigned tables for an informal atmosphere and easy mingling. Breakfast is a wide selection buffet and dinner is served family-style. Menu emphasises local fare.

CABINS: All cabins face outside with windows or portholes, private facilities and climate controls. Some cabins have balconies.

EXPEDITION EQUIPMENT: Expedition landing craft, a fleet of 24 kayaks, Remotely Operated Vehicle (ROV), hydrophone, splashcam, underwater video camera, video microscope, snorkelling gear for all guests (where applicable).

SPECIAL FEATURES: Guest internet access, elevator, National Geographic certified photo instructor, a video chronicler and undersea specialist.

WELLNESS: The vessel is staffed by a Wellness Specialist and features a gym with an elliptical machine, treadmill, exercycles, handweights and resistance bands. Treatments in the LEXspa are available by appointment.

ppointment.
