In the morning, the cruise continues further north to the Island of Mljet. The legend says Greek hero Odysseus spent years on this island when he was captured by the nymph Calypso. Join the cruise manager for a stroll to the famous salt lakes in the Mljet National Park and enjoy the boat ride to St Mary Isle to visit an ancient Benedictine monastery, an old abbey and a Church dating back to the 12th Century. Try some exquisite local wines. If interested, visit the remains of the Roman thermal place, City museum or simply take a walk enjoying the views of the beautiful Villae Rusticae situated along the

waterfront. Overnight in the port of Vis. (B, L, T)

Day 6 VIS - BIŠEVO (Blue Cave) / HVAR *

Early in the morning, cruising resumes towards the small island of Biševo to visit the Blue Cave, a magnificent natural phenomenon (entrance fee to be paid on the spot, 18EUR). As sometimes weather conditions can be very unpredictable, the possibility of a cave visit will depend on those conditions, however, you will be notified in time. Continue towards the jet-set island of Hvar with a swimming stop and lunch on board at the Pakleni Islands. Hvar, the longest and sunniest island in the Adriatic is known for glorious lavender fields and breath-taking beauty. Arrive in the afternoon for the guided tour of Hvar - visit the Renaissance cathedral with its original tower, and the oldest community theatre in Europe founded in 1612. Hike up the zig-zag path to the town fort overlooking the harbour for lovely scenic views of the vessel and the Paklinski Islands. Hvar offers an abundance of entertainment in the evening - numerous restaurants, bars and clubs, many open long into the night. Overnight in the port. (B, L)

Day 7 HVAR - (BOL) to TROGIR (Marina Baoti) *

Morning departure to **Brač Island** for a refreshing swim at **Zlatni Rat** , the most famous beach in Dalmatia, known for its ever-changing shape shaped by wind and waves. Explore **Bol** , a charming former fishing village turned popular seaside destination while retaining its authentic charm.
